WEIRD WEB WEEKLY

Tired of all those 3D graphics? Stuck with a graphics card that's never quivered to the touch of D3D, OpenGL, Glide or S3Metal? Hungry for the text-based adventures of yesteryear? Visit the "Play By E-mail Games Directory" [http://www.pbem-portal.com/]. There are loads of RPGs and other games you can play via email. Fantasy, Strategy, StarTrek...all here.

Some people still regard writing web-pages as some mystic art. Its not! Its ridiculously easy with WYSIWYG editors, and the HTML code is easier than any programming language's code. If you still haven't figured it out, here's a tutor for you [http://www.pinsoft.com.au/software/TeachHTML.exe] (300kb). But you shouldn't need it. Just right click on a webpage in your browser, and choose "View Source" to see the code that describes it.

Here's another site that explains your dreams to you. Hasn't worked for me, since I can't remember dreaming anything lately (at least, not while asleep)- http://www.dreamdoctor.com/

Last week's quotation was from Gentry Lee's "Bright Messengers". Sister Beatrice is explaining to someone that her order believes that we humans are each "cells in one giant, connected organism that makes up the entire human race." Cool.

Here's a nice long quote for you to try and figure out the origin of (try!) Too few of you are trying! This one's from one of my favourite books:

"The thing was massive, nearly a mile across, some said, dull silver in colour, pitted, scorched and disfigured with the scars of unnumbered vicious space battles fought with savage forces by the light of suns unknown to man."

A hatchway opened, crashed down though the Harrods Food Halls, demolished Harvey Nichols, and with a final grinding scream of tortured architecture, toppled the Sheraton Park Tower.

"After a long, heart-stopping moment of internal crashes and grumbles of rending machinery, there marched from it, down the ramp, an immense silver robot, a hundred feet tall."

"It held up a hand."
 "'I come in peace,' it said, adding after a long moment of further grinding, 'take me to your Lizard.'"

Bat Joke

From Mahpara Faatin

Avampire bat came flapping in from the night, face absolutely covered in fresh blood and parked himself on the roof of the cave to get some sleep. Pretty soon all the other bats smelt the blood and began hassling him about where he got it.

He told them to piss off and let him get some sleep, but they persisted until he finally gave in.

"OK, follow me", he said and flew out of the cave with hundreds of bats behind him. Down through a valley they went, across a river and into a huge forest of trees.

Finally he slowed down and all the other bats excitedly milled around him tongues hanging out for blood.

"Do you see that large oak tree over there?" he asked. "Yes, YES, YES!!!! the bats all screamed in a frenzy.

"Good!" said the first bat, "Because I #@%\$%^& didn't!"

The Guilty Gang

From Ifrad Islam

In the U.S. a policeman stops a driver driving a luxurious car. "One minute please, but you have won \$5000 in a contest," says the policeman.

At the driver's surprise, he explained that they had decided to give the money to the first person who fastens his or her seat belt.

The driver rejoiced and took the money. Out of curiosity, the policeman asked: What will you use the money for?

Thinking for a moment, the driver said, "I'll buy my driving license!"

Now, at his side sat his wife, who quickly realized the man's mistake. She said: Oh! Don't listen to him. He doesn't talk straight when he's drunk!"

One of the man's friends was sleeping at the back. Now he woke up and said, "how long do we have to stay in this stolen car?"

Finally, another friend who was hiding at the boot knocked and asked,

"How far are we from the border?"

SADARJI...AGAIN

A sardarji with two red ears went to his doctor. The doctor asked him what had happened to his ears and he answered, "I was ironing a shirt and the phone rang - but instead of picking up the phone I accidentally picked up the iron and stuck it to my ear."

"Oh Dear!" the doctor exclaimed in disbelief. "But... what happened to your other ear?"

"The scoundrel called back."

7 SYMPTOMS THAT PROVE YOUR BOYFRIEND IS HAVING ANOTHER AFFAIR

By Sabreena Ahmed

1) When your boy friend would start to praise your beauty, know that "Daal Me Kuch Kaala Hai" (there is something wrong). He is trying to keep you happy so that his cheating doesn't show up.

2) When your boy friend says: "With this red lipstick, you look astonishing. But I always like your real self. You are also very beautiful without make-up." He is telling a lie. Cause you haven't used any lipstick!

3) When he takes you to a 5 star hotel for dinner; after coming out of there, you see the name plate "The 5 String Hotel."

4) He has gifted you a diamond ring saying that he has brought it from Singapore. But later you find out that it's bought from Dhaka's Gaochia Market for 10 taka.

5) Your boy friend tries to prove that he knows your family members very well. So he says: "You know, I could help Choton, your younger brother, with maths." But..... Your brother's name is Touhid!!!!

6) When you two go out, he orders a few items for himself. He is saving his part of money for the new girl friend.

7) He can't find any change with your new dress/ hair style. He can't see that you have taken off your glasses/ bresses though he is sitting very close to you.

If your boy friend has all this symptoms, then keep an eye on him. He is surely cheating you. Catch him red handed and give a "Jhata-r- Baree." Joi women power, joi women nation.
