## Government of Bangladesh Health and Population Sector Programme

### National Nursing Leadership Development Programme

### Tenders Invited

Strengthening the Role of Nursing (SRN), a DFID funded component of HPSP is currently seeking tenders from Management Organisations of national repute to design and deliver a National Nursing Leadership programme. The programme will be run on behalf of the Directorate of Nursing Services and will help provide the current and future Nurse leaders of Bangladesh.

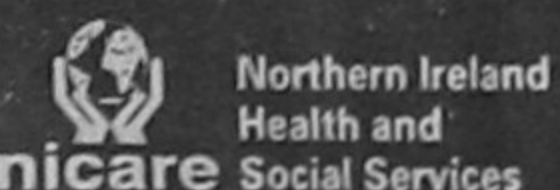

The programme, which will be run in conjunction with a UK University partner, will be 6-9 months long and ideally at post graduate level. It is intended to start the programme early next year and run it annually for the remaining length of the component.

Interested or Organisations invited to a presentation, given by Angie Roques, Technical Advisor to SRN, regarding the programme on Sunday 10th September at 3pm in the Training Room at the British Council in Fuller Road. It will also provide opportunity for any queries to be raised and questions answered.

The detailed specification is available from:

## Phensidyl seized: One arrested

By Staff Correspondent

A squad of Detective Branch of police recovered 12,000 bottles of phensidyl from BNP Shum in the city's Agargaon area yesterday.

The DB team, led by Assistant Commissioner Taffiq Mambub Chowdhury, conducted the raid at about 1 pm yesterday and recovered the drugs packed in 68 sacks.

Police arrested Moniruddin Heju, 23, for his alleged involvement in the trade of this contraband item, police said.

## Erratum

In our news item on birth anniversary of Abul Mansur Ahmad published Sunday, it was inadvertently reported that the 21-point election manifesto of the United Front in the 1954 election brought the Muslim League to power.

It actually should read the 21-point election manifesto of the United Front routed the party then in power, the Muslim League. The mistake is regretted.

## Implement labour laws in industries

By Staff Correspondent

Leaders of the Jatiyo Garments' Sramik Jote yesterday called for immediate implementation of labour laws in the industries sector of the country.

They said that accidents in the garments industries will continue if these laws are not implemented strictly. They were addressing a meeting of the Jote at its office in the city with Shahidul Islam Babul in the chair.

They also said that about 3,000 garments factories in the capital are being run illegally without necessary approval and fulfillment of preconditions. The leaders demanded trial

of the persons responsible for the fire incident at Globe Knitting Garments by formation of a judicial probe and compensation for the victims.

The meeting in a resolution also expressed grave concern over the incident, in which 12 workers were killed and at least 40 others injured on August 26.

The leaders criticised the government's silence over the incident and said negligence of garments' owners was mainly responsible for such incidents in the factories.

The Jote will hold a rally on Friday at 5:30 pm at Muktangan in the city to press home their demands.

## Polytech students vow to realise demand at any cost

By DU Correspondent

The Bangladesh Diploma Engineering Student-Teacher Professional Sangram Parishad at a mass gathering at the Central Shaheed Minar yesterday demanded of immediate announcement of admission into four-year diploma engineering courses from the current academic session.

Several thousand students and teachers from different Diploma Engineering and Polytech Institutes across the country assembled at the Central Shaheed Minar and took an oath to realise their demand at any cost.

Addressing the rally, leaders of the Parishad alleged that

steps to admit students into four-year diploma engineering courses was not taken yet though Prime Minister Sheikh Hasina directed it in 1997.

The demand for a four-year diploma engineering course is now a national demand but it has not implemented during the long period due to conspiracy by a section of people, they alleged.

They threatened the Education Ministry to meet their demand or face greater movement throughout the country.

Convener of the Parishad Mridha Nazrul Islam presided over the rally, while National Professor Kabir Chowdhury attended it as the chief guest.

Among others, general secretary of the Parishad Fazlul Haq Malik, Kurshid Ahmed, Muk-tijodha Central Command Council chairman Abdul Ahad, secretary of Sammilita Sangskritik Jote Golam Kuddus, teacher Shamsur Rahman, organising secretary of Dhaka Reporters' Unity Shakawat Hossain Badsha, student leaders Sohail Rana, Alamgir Hossain, Ali Azam Khan, Russel Mahmud and Fatema Akhter addressed the rally.

The parishad has been agitating for long to implement the introduction of four-year diploma engineering courses.
