Country reiterates support to Palestinian state

Bangladesh has once again reiterated its unequivocal support for establishment of a sovereign Palestinian state with Jerusalem as its capital and called on warring parties among the Muslim nations to resolve their disputes through discussions. "May I reiterate Bangladesh's unreserved and unwavering support to the struggle of the Palestinian and Arab brothers to establish their legitimate rights," Foreign Minister Abdus Samad Azad told the annual coordinating meeting of the OIC Foreign Ministers in New York on Monday, reports BSS from New York.

The Foreign Minister said "Bangladesh firmly endorses the right of our Palestinian brothers to establish an independent and sovereign state in their own homeland, with Jerusalem as its capital." Mr. Azad mentioned that peace in the Middle East and a just solution of the conflicts there continues to remain prime goal of OIC.

The meeting took place on the sidelines of the on-going 55th session of United Nations General Assembly. The coordinating meeting follows the UN Millennium Summit and the last gathering of foreign ministers before the OIC summit scheduled to be held in Doha, Qatar in November.

Malaysian Foreign Minister Y. B. Datuk Seri Syed Hamid bin Syed Zaafar Albar chaired

the meeting which was attended by about 50 countries. Speaking about Bangladesh's concern in the sub-continent on any development centering Kashmir, the foreign minister said "we have urged restraint" and "impressed upon all to seek a peaceful solution of the basic problem."

He expressed the hope that the parties concern will embark on a process of dialogue leading to de-escalation of tension in the region. While lauding the role and contribution of OIC Secretary General Dr. Azeddine Laraki for the organisation and Islamic Ummah, Azad called upon participants to have one and a determined voice stating that a permanent solution to the dispute in the Middle East must be based on the relevant UN and OIC resolutions and various international organizations. Security Council resolution regarding the return of the

refugees to their ancestral home must have to be observed, he stressed.

Azad expressed his concern at the slow pace of implementation of peace accords and relevant agreements on Bosnia-Herzegovina and Kosovo. He said the trouble within OIC - the fighting in Afghanistan, Somalia, Sierra Leone and Sudan are great tragedies for all Muslims. While calling upon all concerned to resolve problems through discussions, Azad informed all that Bangladesh will actively support and cooperate with all efforts to promote peace.

Referring to the UN Millennium Summit, Azad called upon all to strive for speedy implementation of the declaration (Millennium declaration) to ensure that the poor given a better chance to share more equitably the benefits of modernization and development.
