India seeks to downplay privatisation moves

NEW DELHI, Oct 19: India's programme. Minister for Disinvestment Arun Shourie vesterday sought to downplay the government's privatisation, plans saving he did not want to build up too many expectations, says Renters.

"The effort was to get it off the front pages of newspapers." Shourie told an economic editors conference.

The privatisation, or disinvestment, programme has been a matter of heated debate in the Indian media, partly because of the government's inability to push through decisions and meet its targets.

443 billion rupees since 1991, when India launched freemarket reforms.

groups including parties in the tederal coalition and labour conditions has hindered the Shourie said.

Hindu nationalist groups such as the Swadeshi Jagran Manch (SJM) and the Rashtriva Swavamsevak Sangh (RSS) which are ideologically close to Prime Minister Atal Behari Vajpayee's Bharatiya Janata Party have also strongly opposed the government's privatisation

"It is best for governments to speak through their action and not just build up expectation, Shourie, a former World Bank economist said.

India has set a target of raising 100 billion rupees (\$2.16 billion) through sale of government equity in state-run The government has been firms in 2000/01 (April-March) able to raise just over 40 per and has announced a slew of cent of its cumulative target of decisions recently in a bid to accelerate the process.
