

Hasina greets Hillary Clinton

Prime Minister Sheikh Hasina has congratulated US First Lady Hillary Clinton on her election to the US Senate from New York, reports UNB.

"I was delighted to hear of your great victory in the Senate elections in New York. Heartiest congratulations," Hasina said in a message of felicitation to the First Lady.

Hasina said: "Your well deserved win is indeed an affirmation of your brilliant leadership and endorsement of the vision that you have for the great city of New York."

The prime minister hoped that Hillary during her tenure in the Senate would be able to advance the numerous causes that she dearly espouses particularly those relating to the status of women.

DU admission: Ka unit examination tomorrow

By DU Correspondent.

The written test for admission into the first year honours courses for the session 2000-2001 of the Dhaka University under 'Ka' unit (science group) will be held tomorrow at 10 am.

Japanese doll exhibition begins Friday

The Japanese Embassy organises a 15-day long "Japanese Doll Exhibition" at Bangladesh Shishu Academy from tomorrow, says a press release.

The exhibition is being organised under the cultural exchange programme between Japan and Bangladesh.

The Japan Foundation has sent the dolls to introduce works of physically symbolic manifestations of Japan's past and present culture.

The exhibition will feature such representative types of dolls as the *Hina Ningyo* (Dolls of Hina Festival), *Gogatsu Ningyo* (Dolls for the Boys Festival), *Noh Ningyo* (Noh Dolls) and *Ichimatsu* (Ichimatsu Dolls), says the press release.

The exhibition will remain open from 10 am to 6 pm from November 10 to 25.

**CAREER OPPORTUNITY**

We are a newly established software development company specializing in animation, CBT development and Web application development and would like to recruit the following personnel:

**Creative Director/Animation:** Candidate will be a fine arts/literature graduate with a 2nd. Class University degree and will have at least 3 years experience in a commercial studio or in an advertisement firm. A thorough knowledge of and substantial skills at handling 3D MAX is expected from candidate who will be selected. He/She must have an artistic flair and be able to communicate complex ideas simply and lucidly. Candidate will be required to have skills at theme building, character designing, and subject visualization. Besides being imaginative and creative, candidate will be expected to operate at the level of a project director for animation projects that will be undertaken by the company.

**Graphics Illustrator:** Ideal candidate will be an arts graduate and must have at least 1 year's of practical experience with Photoshop, Illustrator 8 in either a desktop publishing environment or an ad agency. Candidate will be expected to have solid skills with graphics software, especially Adobe Illustrator and be able to grasp design ideas fast and create illustrations accordingly in a professional manner.

**Web Designer:** Candidate will be a University graduate and will have excellent command over spoken and written English. He/She must have excellent web designing abilities and have good working knowledge of HTML 4.01 standards. Candidate should be able to show at the interview that he or she has solid appreciation of the presuppositions and concepts required for web designing. Good working knowledge of MS Front Page 98, MM Flash 4, MM Dream Weaver is a must.

**3D Animator:** Candidate will be a University graduate and have very good knowledge of 3D MAX. He/She must have at least 1 year's, preferable 2 year's of animation work experience in a commercial environment. Experience and knowledge on Macromedia Director will be added advantage. Excellent command over written and spoken English is required. Candidate must be able to convince at the interview that he/she is fast at grasping new ideas and at translating those ideas into animation professionally and success fully.

**Multimedia Developer:** Candidate will be a university graduate and have very good knowledge of Macromedia Director and Authorware. He/She must have at least 1 year's, preferably 2 year's of multimedia development experience in a commercial environment. Excellent command over written and spoken English is required.

**Marketing Executives:** Candidate will be a University graduate in any discipline. Must have a flair for selling intangible products/services and should be an excellent communicator. He/She should have good presentation skill, problem solving skill and media contact. Experience in working with leading Ad agencies will be added advantage. Remunerations and other benefits will be at par with the best in the industry and all opportunities will be given for the growth and further development of individuals in his/her career. Candidates who meets the above requirements for the posts should apply immediately with full CV, a recent passport sized photo, and copies of academic certificates by November 15, 2000 to the following address.

Box No. G-793, CO The Daily Star, 19 Karwan Bazar, Dhaka-1215
