

BANGLADESH ASSOCIATION OF CONSULTING ENGINEERS

MESSAGE

I congratulate Bangladesh Association of Consulting Engineers on the Silver Jubilee of its founding.

We live in an era of knowledge based exploding changes in all sectors of development. A fundamental need of the society now is a sustainable development. In this backdrop, BACE as the apex body of the consulting engineering has the important responsibility of addressing capacity building within the consulting industry to deliver quality skill for the country's unhindered development.

I wish BACE a success.

Justice Shahabuddin Ahmed

ABOUT BACE

Bangladesh Association of Consulting Engineers was founded in 1975 as non-profit professional society to promote technological excellence and innovation and foster ethical practice in Engineering services and to encourage a sound institutional development of the consulting industry in the country. The Association is administrated by an Executive Council made up of elected representatives of member firms. Firms are admitted to membership of BACE only after they have satisfied the Council that they are professionally qualified and that they act independently of contractors and suppliers.

BACE is affiliated to FIDIC, ASPAC and TCDPAP and is a member of the Federation of Bangladesh Chambers of Commerce and Industry. Member Firms are individually registered as consultants with various international agencies.

The Association subscribes to the general principal and standards of professional conduct laid down by FIDIC.
