Liaison committee's call to make Dec 5 programme a success

By Staff Correspondent

A meeting of the Dhaka city liaison committee yesterday expressed grave concern over "serious" deterioration of law and order in the country, especially in the capital. The meeting expressed concern over price hike of essentials and said the government failed to check price hike in the month of Ramadan. The government field talks with businessmen to control the price of essential items in Ramadan. But it seems to be a hoax as prices of commodities are increasing day by day. The meeting urged all leaders and activists of the opposition as well as the city dwellers to make December 5 demonstration at Mukhtang, announced to protest deterioration of law and order and price hike, in the city a complete success.
