Current drive for bank loan realisation must be strengthened

The members of Parliamentary Standing Committee on the Ministry of Finance observed that we must come out of the trap of loan default culture at any cost side by strengthening the current drive for bank loan realisation, reports BSS.

The observation was made while they were discussing all aspects of the overall situation of the banking sector including its prevailing problems and measures to resolve them at a meeting held at the Jativa Sangsad Bhavan with committee chairman Prof Md Ali Ashraf in the chair.

Issues related to bank deposits and advances as well as classified loans, default loans, measures against loan defaulters and steps to realise default loans have especially come up for discussion.

The committee members gave special emphasis upon bringing down the rate of default loan to 20 per cent from the existing 39th per cent, an official handout said. The meeting was informed that all scheduled banks had formed task forces headed by their respective Managing Director to expedite realisation of bank loans and another high-powered task force was formed led by a deputy governor of Bangladesh Bank to oversee their activities.

Task forces were also formed in all regional offices of Bangladesh Bank to spearhead the drive for realising bank loans at the field level, the handout said, adding that the committee members, especially laid stress for ensuring security of bank deposits and reducing the classified loans.

Committee members Alhaj Saved Masud Reza, Alhaj Md Karimuddin Bharoshia and M K Anwar were present at the meeting. Finance Minister Shah A M S Kibria attended the meeting on special invitation.

Besides, Bangladesh Bank Governor Dr Farashuddin Ahmed, Finance Secretary Dr Akbar Ali Khan and other concerned senior officials were present at the meeting.
