

The Faces of Success

Yes ! Our own software engineers. Who have developed software, even website solely for our bank. Creating our own forces for our clients.
Now all our branches from the glittering Motijheel to remote Ambari, down to Subgacha and even on to far flung Atia are now fully computerised.

No big surprise. No complacency. Yet one of the top private bank **TO DO IT FIRST.**
 And we have done it purely by **OURSELVES.**

As you step into Uttara Bank now we put in more time, you spend less. We are now well prepared to take the full advantage of IT advancement of the new millennium.

Thanks to our software engineers. Uttara Bank has now the enhanced capabilities to solve your banking problems faster and better.
