

EC verdict on JS seat of Maj Akhter today

By Staff Correspondent

The Election Commission will give its verdict today whether the parliamentary seat of expelled BNP leader Maj (Retd) Akhteruzzaman would be vacant or not.

The Commission had earlier fixed the date for its decision on the issue after a three-hour hearing on December 11 last year.

Akhteruzzaman, who was elected from Kishireganj-2 constituency on BNP ticket in the 1996 general elections, had joined the 19th session of Jatiya Sangsad defying party decision of boycotting JS sessions. He was expelled from BNP in September last year.

Soon after the expulsion, Opposition Chief Whip Khandaker Delwar Hossain in a letter to the Speaker asked for declaring Akhter's parliamentary seat vacant. Delwar showed a number of reasons for this including violation of Section 70 of the Constitution.

The Speaker referred the issue to the Election Commission for disposal.

Akhteruzzaman in his explanation to the Speaker and arguments before the Commission claimed that there was no controversy regarding his seat. So his seat cannot not fall vacant for joining parliament sessions.

CPA sees no reason for imposing CFTC surcharge

From Staff Correspondent

CHITTAGONG, Jan 9: Chittagong Feeder Trade Committee (CFTC), a Singapore-based organisation of feeder vessel operators, has threatened to impose congestion surcharge on the vessels bound for Chittagong Port against the backdrop of recent congestion in the port.

This was disclosed by the Chairman of Chittagong port commodity Golam Rabbani at a press conference held at port rest house yesterday afternoon.

The chairman said that CFTC had faxed a letter to him in this regard.

He said the port authority will send a reply to the letter immediately clarifying the improvement of congestion situation at Chittagong port.

The chairman claimed that congestion of container vessels was noticed at the port from second week of December, 2000.

He attributed the reason behind congestion to nine-day government holiday and fall in productivity in the month of Ramadan.

"We faced problem with container ships during the period," the chairman said, adding that

'Govt wants to hold trial for all political killings'

Prime Minister Sheikh Hasina has said her government wants to hold trial for all political killings to ensure quick disposal of cases in the interest of the commonman.

About relations among the three organs of the State executive, legislative and judiciary she said the government and the people expected the three organs would be complementary to each other for people's welfare.

Describing the court as one's last resort for justice, the Prime Minister said it is the fundamental right of the people to seek justice and get it.

Chief Justice Latifur Rahman and law and Parliamentary Affairs Minister Abdul Matin Khasru also addressed the function.

The annex building of the Supreme Court has been constructed at a cost of Tk 38.73 crore on 10.50 bighas of land. The four-storeyed building, designed similar to the main building, will accommodate 34 courtrooms.

A total of 44 judges will be able to run court at the same time in the new building, which will help quick disposal of pending cases, Supreme Court sources said.

Road digging back again

Excavation continues in full swing at the Biswa Road in the city's Maniknagar area, spelling woes to the city-dwellers. -- Star photo

By Raziar Rahaman

Road digging in a large area of the city by DCC and other agencies concerned is once again afflicting the city dwellers. The ordeal that started a few months ago doesn't show any sign of letting up.

Sources said lack of coordination between DCC and agencies like Dhaka WASA, DESA and BTTB that have been digging different city roads for 'different purposes' throughout the year, frequently delay project implementation.

The already poor condition of city roads worsened recently when WASA started installing new pipelines for Syedabad Water Treatment Plant from September last year.

Since then, WASA has excavated portions of the roads from Nilkhel crossing to Bangla Motor link road, from Bangla Motor towards Moghbazar and from Shahjahanpur towards Khilgaon rail crossing. The damaged portions of the roads that were filled up with earth after installation of the pipelines are yet to be repaired.

At present, WASA is digging up roads at Bashaabo, Maniknagar, Jatrabari and Jurain areas for installing pipelines while DESA is digging up the Mirpur Road from Sobhanbagh area towards the Russell Square.

Residents of the Central Road area complained that a recently rehabilitated lane connecting Central Road and Bhuter Gali was dug up for installing cable only a few weeks ago.

Mysterious boxes

6 crew brought to Dhaka for interrogation

From Staff Correspondent

CHITTAGONG, Jan 9: The six crew including a Pakistani national were sent to Dhaka this morning by road for further interrogation by the joint interrogation cell (JIC) in connection with the mysterious boxes dropped in the Bay of Bengal on December 17, police said.

They were sent to Dhaka following an order from higher authorities, police said.

The crew were taken on a seven-day remand granted by the court here yesterday.

The mysterious boxes were dropped in the Bay of Bengal from two mechanised boats by 28 crew including a Pakistani national on December 17 when navy patrol ship challenged them.

SAARC summit Bastola for move to convince India, Pakistan

By Diplomatic Correspondent

Visiting Nepalese Foreign Minister Chakra Prasad Bastola said yesterday efforts should be made to convince India about the necessity of holding the next SAARC summit.

He however added, "We need to impress Pakistan as well."

The summit was due to be held in Kathmandu in November 1999 but has since been postponed due to the developments involving relations between India and Pakistan.

India reportedly is against sitting on the same table following the takeover of state power in that country with Pakistan by the military.

Bastola responded briefly to reporters' questions after the official talks between him and Bangladesh Foreign Minister Abdus Samad Azad.

Azad ruled out the possibility of holding a mini-summit without India and Pakistan and said that SAARC is for all the seven member states.

The complainant of the murder case was forced to omit name of Alamgir from the FIR, said BNP leaders.

BIWTA employees protest privatisation move

By Staff Correspondent

Several hundred members of the employees' union of Bangladesh Inland Water Transport Authority (BIWTA) yesterday held a rally at the Sadarghat launch terminal protesting the government's move to privatise the terminal, the largest inland passenger river port in Asia.

It is nothing but a bid to help some people earn money, the union leaders said and vowed to resist the move.

The said BIWTA has the "technical ability" to renovate and modernise the terminal. There is no need to privatise the terminal, which has been managed by government agencies since 1958.

According to the union leaders, the government is soon floating a tender to hand over the terminal to a private company for 15 years. The company will modernise it in two years at a cost of about Tk 60 crore.

Mohammad Tofazzel Hossain, secretary of the employees' Barisal unit, Al Haj Mohammad Abdur Razzak, Secretary and Nurul Islam, General Secretary of its central council and Golam Mostafa, secretary of BIWTA Floating Workers Union addressed the rally.

Dissident JCD leaders yield to Khaleda's wishes

By Staff Correspondent

"I don't want to hear anything anymore against the new committee. I don't want to see anyone in the JCD defy my orders and continue agitation against Pintu and Laltu," Khaleda was quoted as saying. "I have formed the new committee, so you all have to respect it."

According to sources, the rebel leaders were not allowed either to justify their position or explain the rationale behind the movement.

"Khaleda Zia talked most of the time," a rebel leader told The Daily Star. "She made clear her resentment over the movement."

"Such a tremendous pressure employed by the party chief left us with little choice," said another dissident leader.

Sources said that Khaleda had assured dissident leaders of reshuffling the committee within the "next six or seven months," if they recognised the committee and agreed "to work with Pintu-Laltu united."

The rebel leaders told her that they would not demonstrate and acknowledge the Pintu-Laltu committee, if "students and dedicated leaders," ignored in the new body, were given top positions.

They rebel leaders reiterated that they had full confidence in her leadership and would always abide by her directives.

BNP Secretary-General Abdul Mannan Bhuiyan, Khondakar Mosharraf Hossain, BNP's Student Affairs Secretary Amannullah Aman and Nazimuddin Alam also attended the meeting.

ABM Mosharraf Hossain, DU unit President Manir Hossain, city south unit President Sagir Ahmed, city north unit President Munir Hasan and President of Jagannath University College Rawnakul Islam represented the dissident faction in the meeting.

Violence protest was staged in the city soon after Khaleda had announced a five-member central body of JCD on December 23 with Pintu and Laltu as its president and general secretary respectively.

Majority of the JCD leaders and activists and other front organisations of BNP termed Pintu and Laltu "non-students and terrorists" and began to demonstrate demanding cancellation of the new committee.
