Amjad Ali Khan in sarod with Sukhvinder Singh Namdhari in tabla
Ragas: Hari Priya Kanada, Marubihag, Adana, and Pilloo
Price: Tk 600
There are four lovely ragas in this album. Hari Priya Kanada is a tender and compassionate raga and its light is an early spring colour, pastel and young. The next raga Adana is a resolute, confident, and clamorously assertive one. It has festive air, playful, irresponsible, gaining and losing time as it blazes across its burning passages in a continually irregular pattern.

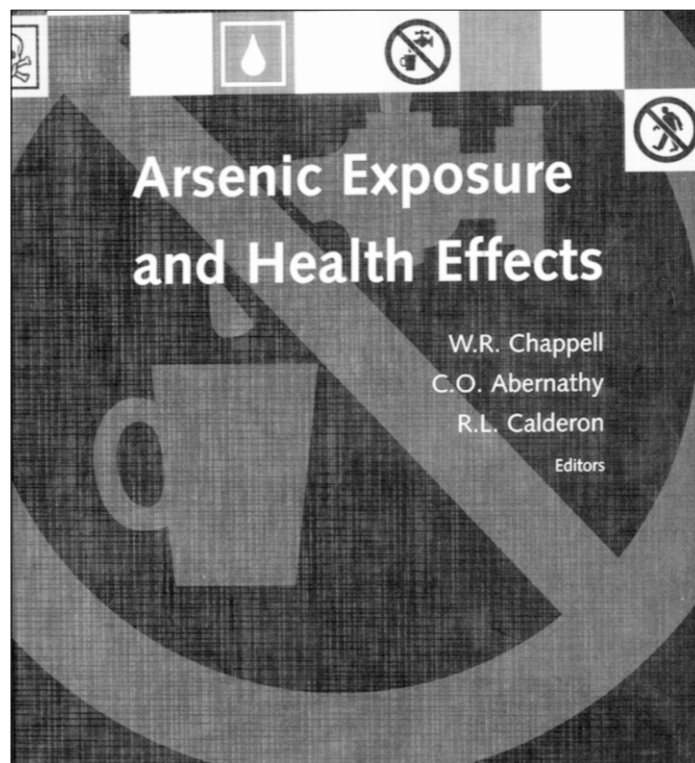

India's Maestro of Melody
Pandit Nihkil Banerjee with Samir Chatterjee in tabla
Rag Malkauns
Price: Tk 600
Malkauns is a traditional melody of a pentatonic scale and is currently one of the most popular ragas sung or played. It is a late evening rag generally performed in the third part of night. The conception and development of the rag as we hear in this live recording of Nihkil Banerjee are far from what is usually heard. He has portrayed the sombre and devotional mood of this late evening rag by means of note by note progression in his own inimitable style.
