Govt promoting only certain sector of administration

Prokichi-BCS Parishad alleges at meeting held in the city

By Staff Correspondent

Prokichi-BCS Kendriyo Sommonnoy Parishad at a meeting yesterday alleged that the government was showing partiality towards one BCS administration cadre service ignoring the other 28 cadre and non-cadre services in the civil administration.

It further alleged that the government was also giving promotion to 116 persons to joint secretaries and 415 persons to the post of deputy secretaries creating additional posts only for the interest of the BCS administration cadres.

Engineer Dr M A K Azad presided over the meeting held at the auditorium of Engineers Institution, Bangladesh. Secretary general of the parishad Chowdhury Khalequzzaman, vice president Dr Rashed Mahbub, principal Jahannara Begum, Khan Monjur Morshed also spoke in the meeting.

They said that the public administration reform commission recommended that the promotion to post of deputy secretary should be on the basis of merit and efficiency and the persons to be promoted should be selected through an open examination for the persons from all cadres and all professions.

The initiative to give mass promotion to BCS administration cadres will create anarchy and tension in the civil service, the meeting observed.

The parishad also called a press conference today from where its next programme of action will be declared.
