**SCF demands immediate availability of textbooks in the market**

STAFF CORRESPONDENT

Police yesterday intercepted a procession of Samajtantrik Chhakra Front (SCF) on its way to lay siege to the office of Pustaka, the Beximco concern which has been

assigned to print and distribute board textbooks.

Leaders and activists of SCF brought out the procession from Dhaka University campus but police on duty at Shahbagh intersection stopped the procession from advancing any further.

The procession then came back to Dhaka University campus and held a brief rally in front of the DUCSU building.

Speakers at the rally demanded exemplary punishment of the officials and employees of Pustaka, which has failed to deliver its contract work, that of printing and distributing 46 categories of secondary level board textbooks within the stipulated time.

The SCF leaders accused the government of patronising the default textbook printers.

They condemned the decision of National Curriculum and Textbook Board (NCTB) for handing over the gigantic task of printing of 2.5 crore books to a loan defaulter company in the first place.

The leaders urged the government to take action for alternate supply of the textbooks to the open market.

They said students have already lost a precious month from their academic life, as board textbooks were not available in the market even after passing a month of the current academic year.

Besides, leaders and activists of All Party Students' Unity (APSU) laid a siege to NCTB to protest against its failure to arrange textbooks.

The APSU members also held a brief rally in front of the NCTB at Motijheel.
