

Corrigendum

Attention of all concerned is drawn on the press publication of IPO of DBBL published in different National Dailies on 29/01/2001, 30/01/2001, 30/01/2001 and 15/02/2001. The second para of the said publication, be read as under:

"It is a matter for the records that after 1997 this is the first IPO of any banking company that has been permitted by the Securities and Exchange Commission to be issued at a premium."

The Bank Management sincerely regrets the unintentional mistake occurred in this regard.

JCD condemns attack on its workers at DMC

DU CORRESPONDENT

Jatiyatabadi Chhatra Dal (JCD), student wing of main opposition BNP, yesterday condemned the attack on its workers at a residential hall of Dhaka Medical College (DMC) allegedly led by ruling party backed Bangladesh Chhatra League (BCL) in the small hours of Friday.

A group of BCL activists led an

attack on the rooms of JCD men including its DMC unit president, senior vice president, vice president, assistant organising secretary and set fire on the president's room at around 12.30 at night following an altercation over some trivial matter, sources said.

The JCD brought out the procession on the DMC campus on Thursday in protest of ruining their posters and graffiti writings.

At one stage, they locked in an altercation with the BCL activists, sources added.

Later, the BCL also brought out a procession and allegedly attacked room no 112, H3, H4, H8 and 231 and attacked on the residents of the rooms.

The JCD, however, in the statement, alleged that the BCL lodged case in Public Safety Act against 7 JCD leaders to harass

JCD workers as part of their 'conspiracy'.

Meanwhile, the Dhaka City Unit (South) of the JCD also condemned the incident.

In a separate statement, Sagor Ahmed and Rafiqul Alam Majnu, expressed concern over the incident and demanded exemplary punishment of those involved in the attack.

Career Opportunity

Specialist in Performance Measurement Framework

Swisscontact (Swiss Foundation for Technical Cooperation), Zurich/Switzerland is currently implementing a Business Development Services Programme (BDSP) in Bangladesh on behalf of the SDC - Swiss Development Cooperation, Embassy of Switzerland. The purpose of the programme is to partner with service providers who offer services to small and micro enterprises on a sustainable/commercial basis.

Applications from suitable candidates/companies are invited to a following position:

Post Title : Specialist in Performance Measurement Framework

Background: The BDSP needs to test/design/implement and monitor a Performance Measurement Framework (based on international best practices), which is a set of indicators and methodologies for collecting and reporting performance information for Business Development Services offered to small and micro enterprises by service providers. The system needs to establish the following:

- Reaching substantial number of enterprises to justify its existence
- Reaching underserved markets
- Improvement of people's lives through enterprise growth
- Doing so at the least cost possible, and
- Ensuring that services/benefits continue in the long run

The Swisscontact BDSP will play the role of a facilitator and local service providers will offer the Business Development Services with support from the BDSP.

The successful candidate is expected to:

- Review documents on international best practices used for Performance Measurement Framework
- Extract their applicability in the Bangladesh context
- Design criteria/systems to be used for performance measurement of the service providers, target group/s and the overall programme performance
- Carry out periodic performance check of the service providers who are partnering with BDSP
- Computerise the information system (with the help of a programmer)
- Retrieve, maintain and analyse the information
- Provide useful feedback to concerned parties and follow up.

Other Details:

The position is based at the Swisscontact Office in Gulshan, Dhaka requiring periodic field trips to areas/centres where BDSP is active with service providers. This is a very innovative and challenging work that requires substantial involvement in the task.

University degree in Economics/Business Administration/Statistics or Social Science; minimum 5 years of experience in the area of setting/monitoring/evaluating programme performance and target group analysis; and good knowledge of computer based statistical programmes like SPSS are essential qualifications. An understanding of small enterprise and private sector development will be an asset.

The initial term is one year, which can be negotiated after six months. This is a senior level position. Salary is negotiable. The negotiation will be based on experience and understanding of the task.

Applications with CV should be forwarded to Box No. A-536 C/O The Daily Star, by February 28, 2001. Only short listed candidates will be contacted for an interview that will take place in the second week of March 2001.

The working time can always be negotiated. We require physical presence at our office at least 2 times week. The person should be ready to go to field trip when necessary. We are also encouraging individuals who are offering their services as consultant/lecturers/trainers and are not interested in a full time employment.

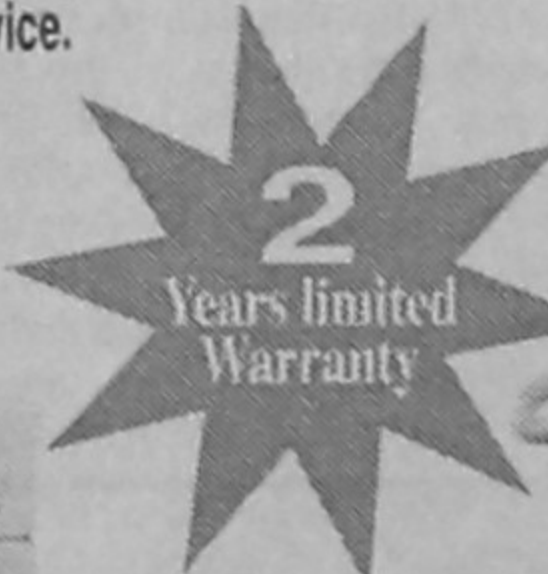

A consulting company can also apply with the CV of at least 2 core staff members who will be involved in the task so that certain continuity can be maintained if one person is not available.

If you require any specific professional clarification, please email us at:
