Karnaphuli ferry service launched

BSS, Chittagong

Minister for Communications Anwar Hossain Monju yesterday said there was no logic behind the anarchic movement launched by some opposition parties as the provision for changing the government through a neutral caretaker authority has been incorporated in the constitution.

"Political confrontation through violence, hartal and destructive activities are greatly impeding the economic development of the country." Monju said at the launching ceremony of a ferry service on the river Karnaphuli

Held at Firingi Bazar Bridge Ghat, the function was addressed by City Mayor ABM Mohiuddin Chowdhury, ABM Abul Kashem Master MP, additional engineer of Roads and Highway (R&H), Mozammel Hossain Chowdhury and superintendent engineer AKM Rezaul Karim.

The minister said the government is considering the possibility of constructing a third bridge on the river Karnaphuli and a tunnel to improve the overall transport system between the port city and southern region of Chittagong.

He also announced that the construction work of a four-lane Dhaka-Chittagong highway has already begun.
