Lafarge Surma Cement Project
 Project completion: 2003
 Investment: 240 million USD

From investing in Bangladesh's biggest cement plant to helping you realize your biggest investment.

The Best Partnership
 Project completion: 2003
 Investment: 100 million USD

At Lafarge, we make our experience in the cement industry work for you. Our cement project at Chhatak is a manifestation of just that. Capable of manufacturing over 1.2 million metric tonnes yearly, this state-of-the-art plant will source raw materials from our own quarry at Meghalaya in India, via a cross-border belt conveyor. Lafarge in Bangladesh now means you too can experience the strength and security we've been known for, the world over.

Building on our dreams, together.
