

Ramna carnage
Trial of killers
in special
tribunal demanded
BSS, Dhaka

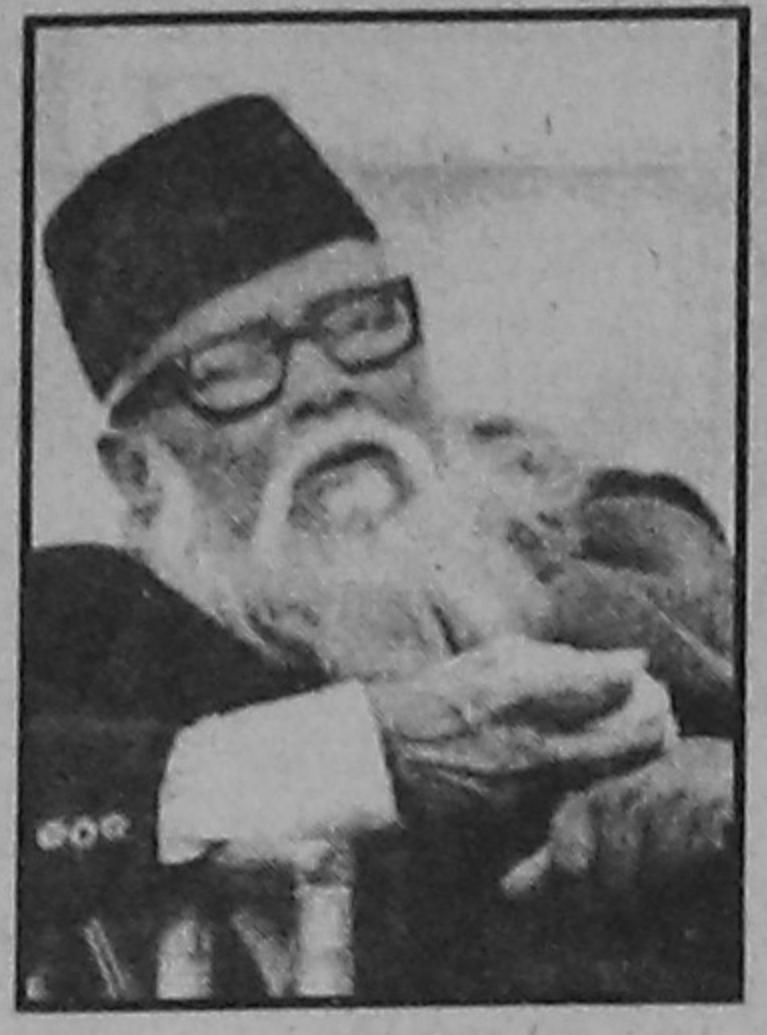

Water Resources Minister Abdur Razzaq said yesterday that special tribunal should be constituted to try the killers who were involved in bomb attack on Pahela Baishakh celebration at Ramna Batamul.

The minister was speaking as chief guest at the 'protest meeting on Pahela Baishakh incident' organised by Water Development Board CBA.

The minister said the anti-liberation forces, who do not believe in Bengali culture and heritage and the country's independence, progress and prosperity, are responsible for such act of barbarism at the Ramna Batamul when Chhayanaut was celebrating the first day of Bengali New Year.

Presided over by director general of the Board Md Asaduzzaman Khan, the meeting was also addressed by Water Development Board CBA president Sultan Ahmed and secretary Mollah Abdul Kazam Azad.

Razzak said certain quarters helped the anti-liberation forces indulge in such heinous act by providing them a political platform.
