## Polls observers must have credibility: Kibria

### FEMA holds meeting with AL ECC

BSS, Dhaka

Chief Coordinator of the Election Coordination Committee (ECC) of Bangladesh Awami League and Finance Minister Shah AMS Kibria has said the election observers must have proper knowledge and understanding about the country's political situation.

"They must also be generally neutral, non-partisan and have credibility," he said during a meeting with a delegation of the Fair Election Monitoring Alliance (FEMA) at the committee's Dhanmondi office on Thursday night. The delegation led by FEMA's chairperson Abul Ehsan apprised Kibria of their detailed election monitoring plans and other activities, a FEMA press release said yesterday.

"FEMA plans a comprehensive monitoring of the elections both in

terms of reach and contents and will deploy observers in all the polling stations of the country by engaging its countrywide network to ensure free and fair elections," the FEMA chief said.

Kibria said Awami League has keenly observed FEMA's activities and appreciated its work in strengthening the electoral process in the country. "Awami League would like to see FEMA as a strong election monitoring organisation because it has to play more important role during the next general elections," he said.

He also described FEMA as an important organisation which could contribute to making the next general elections free, fair and credible.

It was attended, among others, by FEMA members Firoz M Hasan, Ataur Rahman, Burhan Uddin

Ahmed and Showkat Hussain Khan.

The meeting was also attended by ECC members Advocate Syed Ahmed, Mohiuddin Ahmed, Mizanur Rahman, Advocate Mollah Moqbul, Monayem Sarker and Walliur Rahman.
