President seeks cooperation for political stability

BSS, Dhaka

President Shahabuddin Ahmed said yesterday that domestic or foreign investors would not come forward to invest their capital in Bangladesh unless political stability was established in the country. To achieve the objective of political stability, all patriotic political parties should extend their hands of cooperation so that economic progress of the country was not hindered, he said.

Speaking at the publication ceremony of a book - "Bangabandhu Swarna Shadinata-O-Ajker Bangladesh" by Golam Akbar Chowdhury - at the National Museum Auditorium, the President praised the writer for putting emphasis on consensus of big political parties for achieving political stability.

Presided over by Professor Anisuzzaman of Dhaka University, the function was also addressed by Local Government Minister Zillur Rahman, Vice Chancellor of

Dhaka University Dr A K Azad Chowdhury, Acting Editor of the Daily Ittefaq Rahat Khan and Osman Ghani of Agamee Prakashani.

The author of the book Golam Akbar Chowdhury gave a resume of the events which inspired him to write on various topics of national importance.

The President said as an individual, a writer might be supporter of a party of believer of an opinion, but he (writer)-must be honest in search of truth for providing an overall analysis when writing a book.

Referring to the active role of the writer (Golam Akbar Chowdhury) in the historic language movement as well as in other movements and struggles, Shahabuddin said in his book, the writer had given a picture of his observations about the political scenario of the country from his experience.

Speaking on the occasion, Local Government Minister Zillur

Rahman said the government had introduced transparency and accountability to ensure rule of law in the country. He urged the people to remain on guard against conspiracies and to protect the democracy.

Describing the book as a very informative one, he said it would remain as a document on contemporary political history of the country.

The function was rounded off with a cultural function.

3 jetties to be reconstructed at Sundarbans

BSS, Khulna

Three jetties will be reconstructed under 'Animal Preservation Project' in three ranges of the Sundarbans during the current financial year, official sources said.

Forty-five lakh Taka will be spent for the implementation of the project. The jetties will be rebuilt at Karamganj under Chandpai Range, Katka under Swarankhola Range and Burigashmi under Satkhira Range.

Construction of the jetties will start soon and is expected to be completed by the end of the current financial year. After implementation, the infrastructure facilities of the Sundarbans will be improved.

'Govt takes steps to flourish talents of children'

BSS, Dhaka

State Minister for Information Prof Abu Sayeed said in the city yesterday that the country's children needed to be groomed with knowledge on science and technology to become worthy citizens.

Describing Bangladesh as a country of immense prospects, Prof Sayeed said the present government had been providing huge facilities in the field of information technology to help our people flourish their talent, intellect and creativity.

The minister was speaking at the chief guest at the prize giving ceremony of the painting competition for the children at "Subarna IT and Information Technology" under the auspices of Daily Ittefaq at the IDB auditorium.

The function was addressed, among others, by Akhtaruzzaman, MP and noted artist Hashem Khan.

Earlier, Prof Sayeed distributed prizes among the winners of painting competition for children organised on the occasion of Bengali New Year.

He also opened the multimedia software 'children fair' on juvenile education of Subarna IT.
