Changes in allocation system for edn sector suggested

BSS, Dhaka

Education Minister A S H K Sadique yesterday laid emphasis on qualitative changes in existing pattern of financial allocation in the education sector to ensure quality of education.

"The allocation should be based on structure of the institution, number of students and quality of education instead of the present teacher-based subsidy system," he said at the national dissemination seminar on "Bangladesh National Education Policy 2000" at Hotel Sheraton.

The minister said the present trend of cheating in examination centres would be checked if necessary study is conducted in every school. Every guardian and teacher should take firm decision to check cheating in the examination halls, he added.

Strong monitoring and community involvement are essential to bring about qualitative change and ensure education for all, he said, adding that the government

has undertaken two projects on monitoring and supervision to ensure standard of education.

Referring to the Education Policy, the minister said the government has introduced education policy for the first time in the country on the basis of Dr Quader-e-Khuda Commission report. A cell has also been opened to implement the policy, he added.

The minister said the Education Policy 2000 is not a permanent one. It could be changed and improved further suiting the demand of the age, he added.

Organised by Education Ministry, the seminar was also addressed by Executive Chairman of the Board of Investment M Mammad Haq, Joint Secretary Dr Tahmina Hossain, Chief Engineer of Facilities Department Monwar Hossain Chowdhury, National Professor Dr Nurul Islam, Dr Ali Ashgar of BUET, former Chairman of the National Curriculum and Text Book Board Eltashuddin, Vice

Chancellor of Asian University Dr Sadeq Hossain, general secretary of Bangladesh College Teachers Association Kazi Farouk Ahmed, Principal of Dhaka Polytechnic Institute A K M Shajahan and Principal of Textile Engineering College Dr Nitai Chandra Suralhar.

Education Secretary Dr Saadat Hussain presided over the seminar while Director General of National Academy for Education Management (NAEM) Dr M Anwarul Haque gave a brief presentation on the National Education Policy 2000.

In his presentation, Dr Haque said around Tk 30,000 crore would be needed to implement the National Education Policy 2000 in a 12-year period from 2001 to 2012.

It is estimated that Tk 17,960 crore could be mobilised from domestic sources and the rest Tk 12,040 crore will have to be collected from external sources, Dr Haque said.
