BSS, Dhaka

Foreign Minister Abdus Samad Azad on Thursday said the proposed border talks with India would be held at official level and India had already been invited to hold the talks here.

A formal letter was handed over the India in this connection, he said.

"The meeting will not be held at ministerial or secretary levels, but at official level," he told a group of journalists at his office.

He said Dhaka wanted the meeting here in the last week of this month.

Earlier, Bangladesh's desire to hold the meeting here was communicated to New Delhi through diplomatic channel. Azad said although Dhaka wanted the meeting in the capital, it would not press for it. "The selection of venue will be settled through discussions," he said.

The foreign minister, however, highly appreciated India's view that border problems would be settled through discussions. He said high-level talks involving secretaries or ministers might follow the first official level meeting on the basis of its outcome.
