New Books

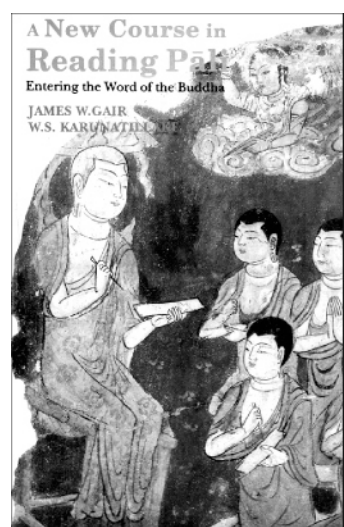

Understanding Brecht
By Walter Benjamin
Published by Verso, England
Price: Taka 1070
This is a great book to understand Brecht's Epic Theatre, his theories. It also contains a conversation with Brecht.

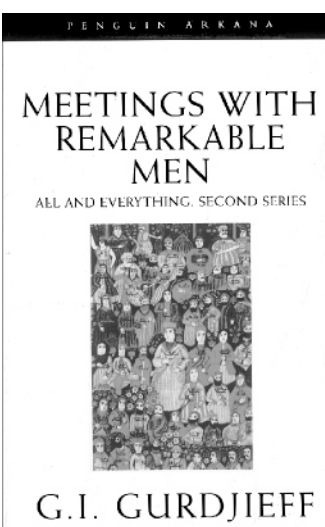

Politics of Friendship
By Jacques Derrida
Translated by George Collins
Published by Verso, England
Price: Taka 1050

Throughout this book, Derrida recalls and restages the reversals and contaminations that, despite the most rigorous will to clarity, have made friendship and enmity, private and public life, and in the end the totality of oppositional couples that make up the western political and philosophical tradition, dangerously and madly unstable.

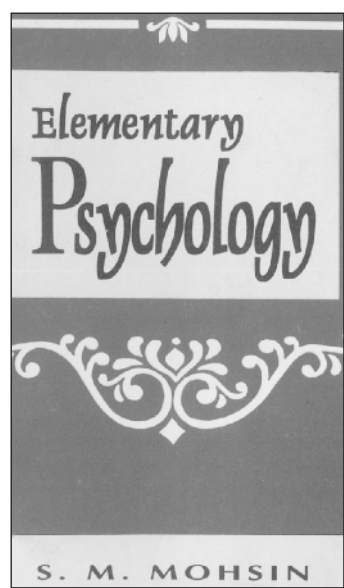

A New Course in Reading Pali
Entering the Word of Lord Buddha
By James W. Gair and W. S. Karunatilake
Published by Motilal Banarsidass Publishers Private Limited
Price: Taka 200

This book is intended to serve as an introduction to the reading of Pali texts. For that purpose, it uses authentic readings especially compiled drawn largely from Theravada canonical works - both prose and poetry.

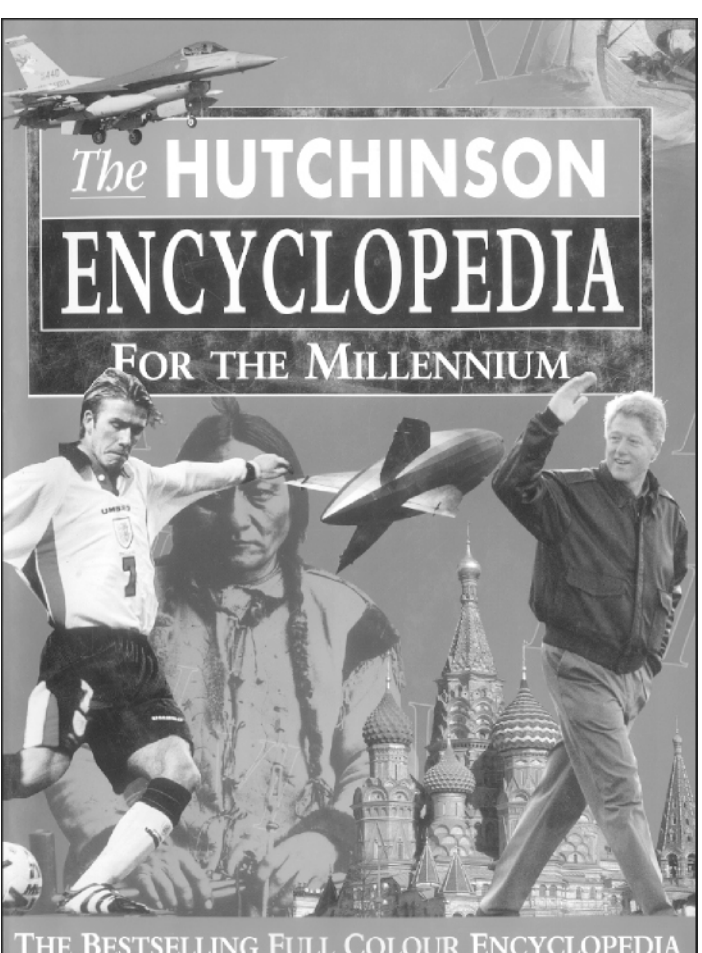

Meetings with Remarkable Men
By G.I. Gurdjieff
Published by Penguin Books
Price: Taka 790

This autobiographical account of the writer's youth and early travels has become something of a legend since it was first published in 1963. This is a books of lives, not of doctrines, although readers will long value Gurdjieff's accounts of conversations with sages.

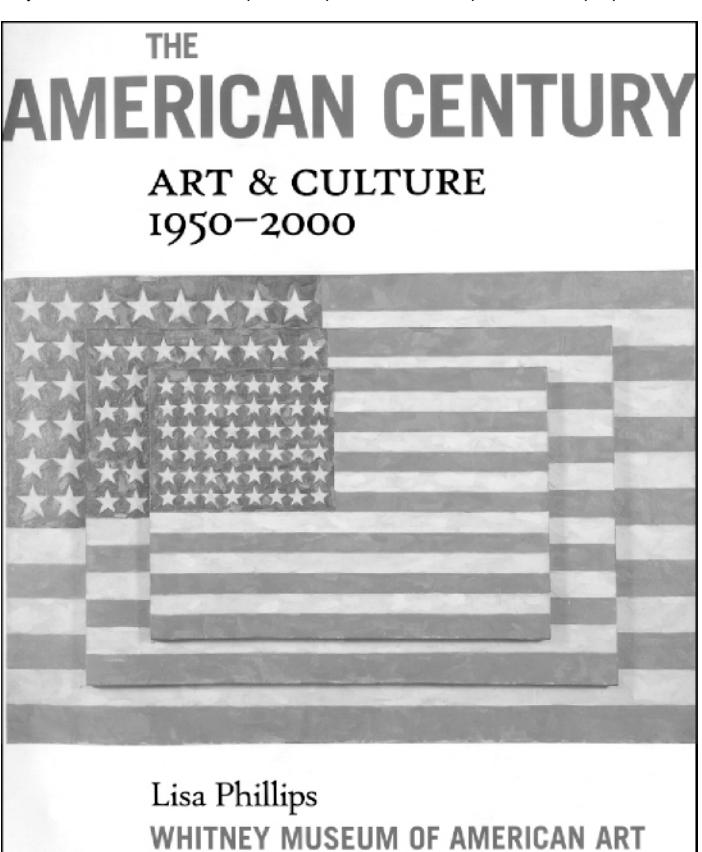

Elementary Psychology
By S. M. Mohsin
Published by Motilal Banarsidass Publishers Private Limited
Price: Taka 120

An additional feature of this book is the chapter on intelligence and aptitudes which prepares the students for a full-dress discourse on techniques of test construction at a later stage in his study of Psychology.

Published by The Asiatic Society, Kolkata
Price: Taka 450

Studies in History of Sciences
Edited by Santimay Chatterjee, M. K. Dasgupta and Amitabha Ghosh
Published by The Asiatic Society, Kolkata
Price: Taka 450
This book is a mosaic of articles, a witness to the emergence of different schools of historiography who debate about bracketing science and technology together, about internal and external history.
