## CARE JOB VACANCY

BANGLADESH

Applications are invited from qualified candidates for the position of Regional Coordinator (RC) for The Integrated Food Security Program (IFSP) to be based either in Mymensingh or Rangpur.

**Position: Regional Coordinator (RC)**

The Regional Coordinator is responsible for overall management both programmatic and administrative aspect of the four components of IFSP in a specific geographic location. He/she will make sure that all components of IFSP are implemented according to the agreed upon implementation plan and guidelines. The RC will be primarily responsible for promoting the program approach and make sure that IFSP is implemented as one program and not as separate projects. The RC will also develop linkages with other CARE projects in the areas and build strategic linkages for cross sector programming. The RC will identify staff development needs and work with senior management to recommend appropriate training and orientation as well as monitor performance management.

**Required Qualifications and Competencies:**

The ideal candidate should have:

- Masters or equivalent in Social/Pure Science or Technical Field.
- 10 years experience including, 3 years direct supervision of project implementation of which 2 years were at the field level and 1 year in a mid-level managerial position
- Excellent verbal and written communication both in Bangla and English.
- Good computer skills.
- Has had training in project design and has substantively participated in a project design exercise
- Donor liaison and representation.
- Knowledge and experience in liaison with GOB and NGO counterparts and development partners; able to coordinate with appropriate stakeholders and involve them in planning, monitoring, and evaluation of project activities
- Oversight of budget and other resources.
- Project evaluation experience: Has worked as a member of project evaluation team.
- Is able to foster synergy across specific projects: Has experience on mission-wide initiatives, knowledge team; has led cross-project design teams, cross-visits or problem analysis teams

Interested candidates are requested to apply with a forwarding, detailed bio-data, a copy of photograph mentioning name of two professional referees, expected gross salary to the advertiser, Box no-A-1795, C/O, The Daily Star within June 06, 2001

(QUALIFIED WOMEN CANDIDATES ARE ENCOURAGED TO APPLY FOR THE POSITION)  
ANY PERSUASION WILL BE TREATED AS THE DISQUALIFICATION OF THE CANDIDATE

## 'Smoking a major risk factor for heart diseases'

BSS, Dhaka

Leading heart specialists at a seminar in the city yesterday expressed grave concern over increasing number of cardiac patients in the sub-continent and suggested precautionary measures to avoid different kinds of heart ailments.

Speaking at the day-long seminar, they identified smoking as one of the major risk factors for heart disease and urged all to give up the habit for the sake of health.

Smoking habit is alarmingly spreading in the developing countries, so do the heart ailments among the people in the region, they added.

State Minister for Health and Family Welfare Prof Dr M Amanullah Khan inaugurated the seminar organised by Beximco Pharmaceuticals Limited at a city hotel with president of Bangladesh Cardiac Society and renowned heart specialist Brigadier M A Malek in the chair.

As many as five technical papers were presented at the seminar by heart specialists. They are: Prof Dr K M H S Sirajul Huq, Prof Nazrul Islam, Prof Dr Abdur Zaher, Prof Dr Hasina Banoo and Prof Mohammad Jalaluddin. Comm-

cial Manager of Beximco Pharma Nazmul Hasan delivered welcome speech in the seminar.

In his speech, the state minister said the cardiovascular diseases have taken an alarming turn across the world due to intake of over-nutritious and rich foods, smoking and environmental pollution.

He said, like other developing countries heart patients are increasing in Bangladesh due to change of life-style, environmental pollution, urbanisation, changing food habit and depression as well.

Referring to the government's steps to address the situation, he said the government of Sheikh Hasina has been implementing various programmes across the country to combat heart diseases and provide proper treatment to the patients.

"We have already opened cardiovascular unit in different hospitals of the country to provide treatment to the heart patients," he said.

Presenting a clear picture of country's nutrition level, the state minister said 60 per cent of the women are suffering from malnutrition due to intake of low calorie food.

## Mannan visits Mosharraf at CMH

BSS, Dhaka

Labour and Employment Minister M A Mannan yesterday visited critically injured Civil Aviation and Tourism Minister Engineer Mosharraf Hossain at Combined Military Hospital (CMH) in the city.

He stayed sometime beside the injured minister and inquired about his condition from the attending doctor.

He also prayed for early recovery of Engineer Mosharraf who was injured in a road accident near Comilla on Dhaka-Chittagong Highway on Saturday.

## Jamalpur exchange goes digital

UNB, Dhaka

All analogue telephones of Jamalpur district was converted into digital with the technical inauguration of 4000 line digital exchange of the district on Saturday night.

Bangladesh Telegraph and Telephone Board will also open the 4000-line digital exchange in Cox's Bazar district on Sunday night, said a press release.

With this, the four-digit analogue numbers of the two districts will be five-digit one adding '6' at the beginning of the previous numbers.
