

DU Senate members back spl security steps for Hasina

UNB, Dhaka

Dhaka University Senate members yesterday demanded special state security measures for Prime Minister Sheikh Hasina after her resignation.

The Senators in a statement said Hasina's role in reestablishing democracy, voting rights of people and spirit of the Liberation War was appreciated both at home and abroad although the anti-liberation forces could not accept it.

"Everybody knows how brutally Bangabandhu and his family members were assassinated on August 15, 1975 and attempts on Hasina's life made on several occasions," the statement said.

It said the conspirators, particularly after the beginning of the trial of the self-confessed murderers of Bangabandhu, threatened to kill her.

Under the circumstances, the Senators said, no question can arise over taking any security measures for the Prime Minister when she resigns.

An agreement was signed yesterday among LGED and two construction firms - Development Construction Ltd and Wahan General Municipal Engineering Corporation, China for the construction of the 1st flyover of the country in the city's Khilgaon area. The document was signed by Syed Mahbubur Rahman, Executive Engineer, Dhaka and Nurul Amin, Managing Director on behalf of LGED and construction firms respectively. The agreement signing ceremony was attended, among others, by cabinet ministers Zillur Rahman, Sabur Hossain Chowdhury and Abdul Jalil. Prime Minister Sheikh Hasina is expected to inaugurate the construction of the flyover to be built at a cost of Taka 398 million.

'A World Fit for Children' Nat'l consultation held to finalise Outcome Document

As part of the process leading to Bangladesh's contribution to the draft Outcome Document: 'A World Fit for Children', a National Consultation was facilitated yesterday by the Ministry of Women and Children Affairs in collaboration with UNICEF, says a press release.

The National Consultation brought together distinguished representatives from the government, NGOs, academics, development professional, the civil society and children to have thorough discussion on the document and to ascertain substantive input from the country into the final Outcome Document.

The draft Outcome Document is based on professional interactions among experts from various countries facilitated through two UN preparatory committee meetings in which the government actively participated. The third and final Preparatory Committee meeting is on June 11-15 in New York in which the Bangladesh delegation is expected to join with the views and recommendations gathered through a series of consultations at different levels. The National Consultation is a culmination of the subnational and other consultations.

In the opening session, K M Ehsanul Haq, Secretary, Ministry of Women and Children Affairs, and Shahida Azfar, UNICEF Representative, made introductory remarks on the Outcome Document and on the importance of the UN Special Session.

Professor Muzaffer Ahmed made an extensive presentation on the End Decade Review and moderated the day's deliberations. Dr M S Akbar, member of parliament, Mr Abu Taher, Commissioner of Chittagong Division and the Secretary, MWCA chaired the three group discussions and presentations.

New Slovak envoy presents credentials

UNB, Dhaka

President Shahabuddin Ahmed has hoped that relations between Bangladesh and Slovak Republic would be further strengthened in the future, particularly in the field of trade and commerce.

His remarks came when newly appointed Ambassador of Slovak Republic to Bangladesh Ladislav Volko presented his credentials to him at Bangabhaban yesterday.

Welcoming Volko, President Shahabuddin said the friendly relations between the two countries had taken roots when Slovak Republic was the part of Czechoslovakia.

He said with the independence of the Slovak Republic in 1993, the relations between the two countries have been growing steadily.
