Cancel permission  
for FEMA to  
monitor polls: AL

UNB, Dhaka

Awami League yesterday brought allegation of corruption against FEMA and demanded cancellation of the permission for it to monitor October 1 general election.

"We want legal actions against FEMA through investigation for widespread corruption and cancellation of the permission for FEMA to monitor the polls," said AL leader Syed Ahmed at regular briefing by the party's election coordination committee.

Member Secretary of the Committee Mozaffar Hossain Palit also addressed the briefing session at Awami League election office at Dhanmondi, alleging that FEMA had misappropriated Tk 2.5 crore in the name of election observation.

He questioned how this organisation, Fair Election Monitoring Alliance, which has no registration with NGO Bureau and Social Welfare Department, can appoint 70,000 observers across the country.

The Awami League leaders also expressed concern over growing incidents of violence unleashed by the "BNP-Razakar" alliance against their party workers.

Syed Ahmed also criticised the low coverage of Awami League news on the state-owned Bangladesh Television. They demanded equal coverage based on total coverage time of all the parties in the 4-party alliance.
