Administrative activities at JU disrupted

JU CORRESPONDENT

Academic and administrative activities of Jahangirnagar University (JU) were disrupted for the second consecutive day yesterday as Jatiyatabadi Chhatra Dal (JCD) and Students' Unity for Resistance to Rapists (SURR) kept the offices at the Administrative Building under lock and key to press their demands including resignation of the Vice Chancellor.

Both the student organisations also threatened that they would continue their programme until the VC resigns.

No officials and employees could attend the offices as activists of both the organisations prevented them at the gates of the Administrative Building.

Earlier, the SURR activists locked all offices at 7.00 am.

Also, no classes were held because of SURR-enforced indefinite strike which stretched into 44th day yesterday.

Meanwhile, JCD has announced that they would resist the syndicate meeting scheduled for Saturday at all costs.

At a rally yesterday, the JCD leaders said that no meeting of university bodies would be held before the resignation of VC Prof. Abdul Bayes.

They said the present administration has failed to run the university properly and accused the high level officials of abusing power and patronising rapists and killers.

Outgoing Nepalese envoy calls on President

UNB, Dhaka

President Shahabuddin Ahmed has said the trade imbalance between Bangladesh and Nepal could be addressed by increasing the volume of imports from Bangladesh.

He made the remarks when outgoing Nepalese Ambassador to Bangladesh Madhu Raman Acharya called on him at Bangabhaban yesterday.

President Shahabuddin recalled the existing excellent bilateral relations between Bangladesh and Nepal and said the people of Bangladesh have a deep sense of goodwill for the people of Nepal.

Referring to the improvement of the infrastructural facilities at Banglabandha Land Port, the President said the Nepalese business community may use the Karvita-Banglabandha transit route regularly for their bilateral and transit trade.

He said Bangladesh is deeply committed to regional cooperation and the spirit of SAARC.

The outgoing Nepalese envoy hoped that the bilateral relation between Nepal and Bangladesh would be further deepened and diversified in near future.

He said both the countries would continue their efforts for peace, stability and development of the region.
