Celebrating Lalon's philosophy of love for humanity

Bangladesh Lokosangeet Kendra, a folk song body, holds its monthly musical programme to pay tributes to Fakir Lalon Shah at Biswa Shahitya Kendra auditorium

Kenrdas' members performance gets good response from the audience

TAWFIQUE ALI

AKIR Lalon Shah is a vital constituent element in Bangalee folk culture and belief. A mystic devotee, Lalon had been austerely endeavoured to achieve a spiritual end all his life.

Around two hundred and twentyone years ago Lalon emerged with an enlightened vision to seek the true self of the creator, to establish a communion with Him and to discover Achin Phakhi practising ascetic austerities rendered by music. He placed man above all else.

The essential message of Lalon's philosophy is to glorify the spirit of man's greatness. Lalon is a preacher of non-sectarian humanity which he called upon all to worship. His central concern was to seek and adore man's absolute existence. He was a philos-

opher poet whose belief was that there is an invaluable being in every man of flesh and blood. This very supreme existence, Lalon's philosophy says, is the man's treasure. Lalon has voiced the glory of this treasure in his verse and lyrics. According to this belief, man can remove man made discrimination only when man's inherent goodness and enlightened treasure of ultimate being are duly recognised. Only then one can perceive a sense of universal humanity. In his philosophy he talked of essential goodness of the human soul. He fervently and eloquently sang of man's triumph in the universe. This theory of Lalon is a novel addition to

Bangla literature. At its regular monthly folk song programme on October 14, Bangladesh Lokosangeet Kendra

Khondaker Reazul Haq speaks on the life and works of Lalon. Renowned folklorist Dr. Ashraf Siddique attended the programme as chief guest

invited country's noted folk culture expert and educationist Dr. Ashraf Siddiquee and Folk Researcher Dr. Khondakar Riazul Huq to speak highlighting Lalon's ideals and philos-

ophy. While reflecting on Lalon Shah, Ashraf Siddiquee made the point that Lalon had answered to hostility and malice among people much before. He sought amicable end to mutual ill feeling between persons and among the nations on the global spheres.

"Our social leaders politicians and statesmen must draw lessons from Lalon songs to have introspection, to exercise self-restraint and to prevent narrowness of their vision in view of achieving a brighter and progressive future of the nation. Lalon songs can act, if applied properly as antidote to political vindictiveness and ill feeling,

social unrest and individual diquietness bringing about sociopolitical harmony, tolerance and peace in individual mind," Dr. Siddiquee remarked.

He further stressed on retaining Lalon's work and urged to materialise his ideals to build a true welfare society. He called learn from him more and more at both private and social spheres of life to get rid of filth and ills of a self seeking mind. "Lalon songs contain such a fervent spiritual message and effect on man's mind which cerate a self-awakening. It may exert a social awakening to regain vigour and vitality".

According to him Lalon had a profound regard for women folk. Lalon preferred worshipping through the woman's vision manifested in her motherliness Lalon is to be regarded

Members of Bangladesh Loke Sangeet Kendra rendering group song at the monthly musical programme of the Kenrda

as the roots of our folk culture. He vehemently said that it is imperative to protect Lalon's birth place, his shrine and his teachings.

Hamidul Islam of Lokosangeet Kendra termed Lalon as "a man; a true human being having a profound sense of humanity, human values. Lalon songs speak of beauty, spiritual end and set us rid of despair."

Dr. Reazul Huq painted out, "Focal point of Lalon's philosophy is to love human beings regardless of cast and creed." He believes that it was Rabindranath Thakur who introduced Lalon and his philosophy to the erudite society.

Discussion session followed the second episode, a musical evening of Lalon song in which members of the Lokosangeet Kendra performed chorus and solo. The evening opened with two chorus performance of Lalon song. Solo performance included "Manush chheray khhapa tui mul harabi" by gharna, "gakhaney saier Baram Khan" by Habib and "O per sapon khabar" by Abdul Alim that engrossed the audience in a spiritual ambience.

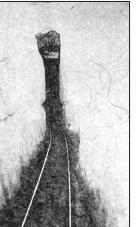

Bangladesh Lokosangeet Kendra started functioning with country's folk song three years back from now. So far it has been able to open branches in thirty districts. Objectives of this folk song organization include presentation of country's eminent folk artists to the new generation in a befitting manner, to practise folk song retaining its purity and carry out research on Lalon.

All the programme, scheduled this month will be dedicated to country's noted folk song exponent Abbas Uddin.
