Save the Children Sweden

SEEKING A PROGRAMME MANAGER

Save the Children Sweden Regional Office for South Asia is seeking a qualified and competent person for the position of Programme Manager.

THE JOB
The Programme Manager (PM) will be the head of the Programme Department and as such be responsible for all programme activities of Save the Children Sweden in the South Asia Region

The Programme of Save the Children Sweden focuses particularly on: the worst forms of child labour, violence and abuse, and non-discrimination. The work is based on the Convention on the Rights of the Child and it actively promotes children's participation.

The PM reports directly to the Resident and Regional Representative and will be responsible for developing strategies, planning, budgeting and follow-up of the programme work. In particular the PM will:

- Ensure that Save the Children Sweden strategies and policies for working with children are followed.
- Lead a team of 6-7 professionals working within different fields of work.
- Ensure that adequate procedures and guidelines are developed and implemented in respect to dealing with partners and other aspects of the programme activities.
- Prepare relevant plans and budgets and monitor their implementation.

QUALIFICATIONS:

- The successful candidate will have:
- Proven experience and a good track record in leading and managing a team of professionals.
 - Relevant master-level education as a minimum.
 - Good team-building skills and experience in working in a participatory and consultative way.
 - Knowledge of and experience in working from a rights perspective with particular emphasis on children's rights.
 - A thorough understanding of and preferably working experience in the fields of children's participation, non-discrimination, children's rights and child development.
 - Previous experience in programme planning, budgeting, monitoring and evaluation.
 - Good knowledge of the situation of children in Bangladesh and of the cultural dimensions that affect them, demonstrable creative and strategic thinking and attitude to counter these challenging situations.
 - Previous experience in transferring knowledge and skills as part of capacity building of partner organizations.
 - Strong interpersonal skills and the ability to share, network and collaborate with local partner organizations and other development partners.
 - Excellent skills in spoken and written Bangla and English.

Save the Children Sweden is an equal opportunity employer. Candidates with disabilities are highly encouraged to apply provided they fulfill the qualifications.

A copy of this job description can be obtained from Save the Children Sweden Office

Applications accompanied by an updated CV and passport size photo must reach Save the Children Sweden by November 8th 2001 at the latest. Applications must indicate the name of the position being applied for
