MPs demand Obaid's release on parole

STAFF CORRESPONDENT

Several lawmakers of the ruling party yesterday demanded immediate release of AKM Obaidur Rahman MP, now detained for the Jail Killing Case, on parole for participation in parliamentary proceedings.

Taking floor on the point of order immediately after resumption of the House in the afternoon, the lawmakers also demanded an explanation from the home minister as to why the veteran leader of the Bangladesh Nationalist Party (BNP) was not released despite the Speaker's ruling.

Mashiur Rahman, Abu Yusuf Mohammad Khallur Rahman and Joyal Abedin Faruk of the BNP and Shah Mohammad Ruhul Quddus of the Jamaat-e-Islami spoke on the point of order. "The delay in releasing Obaidur Rahman is tantamount to contempt of the Speaker and the House," said Mashiur Rahman.

Earlier, Speaker Jamiruddin Sircar asked the home ministry to take proper steps to release Obaidur on parole for participation in parliamentary proceedings.

A member of the BNP standing committee, Obaidur Rahman was elected MP on a BNP ticket from Faridpur-2 constituency. He was arrested in the Jail Killing Case, now pending with the court, during the previous Awami League

government. The House resumed at 12.35pm, more than half an hour behind schedule, with Speaker Jamiruddin Sircar in the chair.

Two call attention notices apart, yesterday's sitting adopted a thank-motion to Prime Minister Khaleda Zia for her address on the state-run electronic media on October 19 outlining the programmes of the new government after a landslide victory in the October 1 general election. Five lawmakers -- from treasury and opposition benches -- spoke on the thank-motion.

Prof Shahidul Islam of Kushtia-2 constituency moved the thank-motion.

Golam Mohammad Qadir of the Ershad-led Jatiya Party moved a proposal seeking an amendment to the rules of procedure. The House was adjourned until 12.00 noon today.

'US, Bangladesh working for establishing peace'

BSS, Dhaka

US Ambassador Mary Ann Peters paid a courtesy call on the newly appointed Foreign Minister M Morshed Khan at his office yesterday morning.

Later, briefing newsmen at his office, the foreign minister said they discussed the existing friendly relations between the two countries. Khan stated that people of the two countries have been working together for establishing peace across the globe.

The foreign minister said the people of Bangladesh stood by their American brethren during the need of the hour. He pointed out that there had been no specific agenda for yesterday's meeting.

Replying to a question whether Bangladesh troops would be deployed in Afghanistan, the minister said that the decision will be taken when such proposal comes.

But the minister unequivocally stated that the present government would do nothing that "goes against the interest of the people." "We will not take any decision that goes against the interest of the people of Bangladesh," he categorically said.

On the alleged exodus of minorities to India, the foreign minister said that there are reports of some criminals fleeing to India.

Emerging from the meeting, Mary Ann Peters said they talked about the existing relationship between the two countries and how the two governments could work together to strengthen the relationship.
