SMILE ON LIFE

WESTECS®

For your child's future!

while proteins help in their physical growth. Calcium takes proper care of their teeth and bones. You sure are aware of these. But do you know about Zinc and its advantages? Zinc is their trusted friend for life. Because Zinc catalyses the function of enzymes in their body, augmenting the creation of human body cells (DNA) required for physical development. Thus it fosters their mental as well as physical growth. Zinc is important for your kids, so much so, that it can be termed as their 'security guard', as Zinc enhances their immunity. You must be wondering how to include Zinc in your little adult's diet? Don't bother. NIDO has already thought out this need of your kids.

ZINC at a glance

Natural source : Meat, eggs, seafood.

Nido : Nido has the balance amount of Zinc required for the child.

Usefulness :

- Enhances the formation of human body cells (DNA) required for physical development.
- Catalyses the power of vitamin A, the driving energy of life.
- Helps in healing wounds.
- It furthers mental as well as physical growth.

Which is why NIDO comes fortified with Zinc, Vitamins, Proteins, Calcium - that your growing child needs. They require more energy and unending enthusiasm. As a mother it is your concern to arm them with all this. Give them NIDO. Help them stand head and shoulders above today's competition. Mark the beginning of their secure future.

If you want to know more about ZINC & NIDO, please write to our nutritionist at :

NESTLÉ Consumer Services
P.O. Box No. - 11037
Uttara Post Office, Dhaka.
