Prof Awal takes over as DG of National Museum

Historian Prof AZM Iftekhar ul-Awal took over as the Director General (DG) of National Museum on Wednesday, says a press release.

Prior to his new assignment, Prof Awal was the acting chairman of the department of history, Dhaka University.

He is also the vice president of the Bangladesh History Association and a member of the executive committee of Asiatic Society of Bangladesh.

Prof Awal replaced Shamsuzzaman Khan, whose tenure expired on December 27.

Environment and Forest Minister Shahjahan Siraj visited different shopping centres and kitchen markets in the city yesterday to monitor the implementation of a ban on polybags.

Death of Simi
Concern over failure of police to arrest accused

The organisation also criticised the police force, saying that some of its members helped the criminals instead of protecting the rights of women.

Simi, a young, talented and aspiring artist of Khilgaon, killed herself on December 23 after undergoing intense pressure put on her and her family by local youths, the local policemen and neighbourhood elders.

In a press release yesterday, the ASK said the failure of police to arrest the accused would have a negative impact on establishing rule of law in the country.

It wondered why police are hesitating to arrest those whose name were found in the protest note Simi wrote before ending her life.

'Unite to uphold spirit of Liberation War'

Speakers at a seminar yesterday urged the pro-liberation forces to be united to uphold the spirit of the Liberation War.

They said the present government has been hatching a conspiracy to dampen the spirit of the Liberation War.

They also condemned the attacks on the religious minorities by the ruling party goons after the October 1 election.

The seminar on 'The spirit of the Liberation War and the present Bangladesh' was organised by the Bangladesh Foundation for Development Research at the CIRDP auditorium.

Prof Anisuzzaman of Dhaka University presented the key-note paper chaired by former finance minister and chairman of the organisation Shah A M S Kibria.

Prof Anisuzzaman in his paper said our liberation war was not an overnight matter. It had a long political background.

He regretted that after 30 years of independence we are now gradually losing the spirit of the Liberation War.

Principal Ahad Chowdhury said the present government has been distorting the history of our liberation war through state-run media.

Former vice-chancellor of Dhaka University Prof A K Azad Chowdhury said the alliance government has established a culture of capturing everything. The freedom fighters and their wards are being subjected to persecution by the government, he added.

Among others, Monayem Sarkar, Prof K M Sobhan, Dr Harunur Rashid, Dr Hamida Banu, and Advocate Shahida Begum also spoke at the seminar.

IUCN
The World Conservation Union
IUCN - The World Conservation Union was founded in 1948 and brings together 79 states, 112 government agencies, 760 NGOs, 37 affiliates, and some 10,000 scientists and experts from 181 countries in a unique worldwide partnership. Its mission is to influence, encourage and assist societies throughout the world to conserve the integrity and diversity of nature and to ensure that any use of natural resources is equitable and ecologically sustainable.

Senior Programme Officer
IUCN Regional Biodiversity Programme, Asia

IUCN's Regional Biodiversity Programme is currently supporting the implementation of the Convention on Biological Diversity (CBD) in 18 countries in the Asian region. To assist with the coordination and further development of this rapidly expanding programme, IUCN is now seeking to recruit a Senior Programme Officer. Reporting to the Head, Regional Biodiversity Programme, s/he will be responsible for developing and implementing RBP's programmes on species issues and also assist with all aspects of administration, management and development of the programme, including the supervision of field activities, the delivery of biodiversity-related technical assistance to IUCN's Members and partners, the preparation of reports to donors and of funding proposals, and the production of a quarterly newsletter.

Candidates should possess: a Master's degree or PhD in environmental sciences, biology, natural resource management or a related discipline; at least ten years of professional experience; excellent English writing abilities; proven project development and management skills; and a willingness to travel. Preference will be accorded to candidates who are nationals of Southeast Asian countries, although candidates from other parts of Asia will also be considered.

The initial contract will be for a period of one year, with long-term prospects for the right candidate. The position will be based in Colombo, with extensive travel throughout the region.

Interested candidates should send their CV, the names of two referees and a cover letter explaining their interest by January 21, 2002 to: Director Human Resources, IUCN Asia Regional Office, AIT, PO Box 4, Klong Luang, Pathumthani-12120, Thailand. Fax: 662 524 5385, e-mail: iucn@ait.ac.th, website: http://www.iucn.org
