The delegation assured the minister of providing assistance from Sweden for the overall development of power sector, including setting up of power plants in Bangladesh.

37 teachers concerned at CU deadlock

CU CORRESPONDENT Thirty-seven teachers of the Chittagong University expressed concern over the deadlock of the university. They demanded of the authorities concerned to solve the stalemate immediately. In a statement yesterday they said the university remained closed for most of the times last year due to unusual vacations and classes were held only 77 days. They blamed the university authorities for their failure to resolve the stalemate. The students lost their valuable academic years due to this deadlock but authorities have no headache to end it, they added.

Workshop on women & health
