## **VACANCY FOR A RELOCATION OFFICER**

DFID Bangladesh designs and implements a UK development strategy, which seeks to make an effective contribution to poverty elimination in Bangladesh. A temporary position of Relocation Officer is required to support DFIDB's team of professional advisers / managers and programme management staff to be relocated in a single office planned to be implemented during the second half of 2002.

This temporary position is for a Relocation Officer (Band B) working closely with our Estates Manager and Information Systems Manager in the Management Unit, which is responsible for administration and services in support of DFIDB's staff and development programmes. The position is to be filled for a period of about ten months to help DFIDB move from its existing offices to new premises.

### Qualifications and Competencies Required

The successful applicant will have good experience of Office Management, including health and safety requirements to international standard, and internal office accommodation and operational needs for establishing a new Office. Candidates are likely to be graduates with an excellent standard of spoken and written English and fluency in Bangla, and desirably possess 3 years of relevant office management experience. Advanced computer skills (Microsoft Word and Excel or equivalent) are also a prerequisite. Good inter-personal, organisation and planning, and communication skills are necessary. Knowledge of interior office planning and design will be necessary as well.

### Duties will include

- Liaising with the Estates Manager on all aspects of the proposed move to a new building.
- Ensuring DFID B staff are fully informed on progress and timetable for occupancy of the new building.
- Establishing a consultative team to help advise and coordinate decisions on floor plans, room occupancy, etc. Working closely with other professional and technical staff, e.g. Information Systems Manager in planning and
- implementing necessary equipment and services needs. Monitoring and reporting on progress with the new building, including very regular contacts with the developers and consultants involved in external and internal works, including drafting, minute and letter writing, researching information needs, following up enquiries, corresponding by telephone and letter, attending
- meetings. Overseeing progress on contracts for internal works.
- Applying DFID financial procedures, including checking and recording of all payments, contracts.

A competitive salary (ranging from Taka 36,957 to 58,917 and presently under review) and benefit package will be offered, taking account of the successful applicant's skills and experience. For an application form e-mail: dfidb-recruitment@dfid.gov.uk or contact in person at the following address. Only applications made on the prescribed application form will be considered. Completed HARDCOPY APPLICATIONS (only) are to be returned addressed to the DPO, HRM & Training Development, DFIDB, House 76, Road 24, Gulshan-1, Dhaka by latest (14:30 hour) Wednesday 6 February 2002. Please clearly mark as "Relocation Officer" on the top left hand corner of the envelope. Applications are welcome from all ethnic groups, women and disabled people. Only short-listed candidates will then be contacted for interview and testing. We may not be able to respond enquiries regarding the status of applications.
