Tushar Imran and Tariq Aziz will be flying for the second time to the West Indies with additional travel documents today. The two young cricketers left Dhaka on Saturday to join the Bangladesh A team in the Caribbean, but on arrival at Gatwick

#### SPORTS REPORTER

The Dhaka Premier Division Cricket League, easily the most anticipated domestic event of the year, faces an indefinite delay to kick off this season as the Cricket Committee of Dhaka Metropolitan (CCDM) is yet to fix a date for the league to start.

It is understood that the CCDM is in confusion regarding the status of two teams. Lalmatia Club and Indira Road KC, who finished in the last two spots of the First Division league last year.

In an unprecedented move, the CCDM had appealed to the Bangladesh Cricket Board (BCB) to exempt the two teams from being relegated to the Second Division and surprisingly, the BCB's board of directors headed by former supremo Saber Hossain Choudhurv start from where they left off in the adjourned meeting, it is very much The decision was revoked last

month following a meeting of the BCB with new president Ali Asghar in the chair. After hearing the Board's fresh

verdict, the two teams in question raised the issue at CCDM's last meeting in December which had to be adjourned as the CCDM failed to take any decision regarding the matter. It was learnt that Lalmatia and Indira Road KC had asked the Committee's chairman GS Hasan Tamim to speak to Asohar. But Tamim reportedly, could not meet the BCB boss because he is busy performing the duty of the Bangladesh U-19 team's manager in the Youth World Cup in New Zealand.

Although, the organisers of Dhaka's cricket leagues are scheduled to assemble today in a bid to likely that this meeting too won't produce any result. With Lalmatia and Indira Road KC willing to fight the BCB to the last

so that it reconsiders its decision to demote them, the CCDM is under tremendous pressure to come up with a compromise that suits both the Board and the teams. Until that happens, the Premier Division and the First Division leagues can not start

Meanwhile, another potential problem has come up that might also contribute to the delay. The ongoing National Cricket League is not expected to be finished before March 15. This means that the Dhaka leagues can not begin before the third week of March. Some club officials are also worried that the league might be carried into the rainy season

Pakistan suffered a six-wicket defeat against the West Indies and must beat rivals India on Thursday to qualify for the ICC Under-19s World Cup semifinals. To compound Pakistan's misery

captain Salman Butt and wicketkeeper Aminur Rehman were admonished for excessive appealing during the West Indies innings

by match referee Frank Cameron. Cameron did not issue an official warning but the Pakistan players will have to watch their behaviour when they play India in Christchurch.

After beating Sri Lanka on Monday, victory against the West Indies would have assured Pakistan of a place in the next round, but a batting collapse cost them dearly at Lincoln Green.

Pakistan were looking set to post a healthy total at 130-4 but the loss of the last six wickets for the addition of just 32 runs changed the game. Pakistan succumbed to the skills
