BSS, Dhaka

The Communist Party of China (CPC) yesterday assured the BNP of continuing its all-out support and cooperation to the party and the BNP-led government in attaining socio-economic development of Bangladesh.

"The Chinese Communist Party has assured us of extending all-out support in economic and social fields," BNP secretary general and LGRD and Cooperatives Minister Abdul Mannan Bhuiyan told reporters following a meeting between BNP and visiting CPC delegation at the state guest house Meghna.

"China is our tested friends. China has always extended its helping hands and stood by

Bangladesh in times of necessity," he added.

The meeting stressed the need for building party-to-party contact and agreed to work unitedly to bring peace and stability in the region.

BNP secretary general led the BNP delegation at the meeting.

The high-powered 10-member delegation led by Cai Wu is now in Bangladesh on a five-day visit at the invitation of BNP central executive committee.

The meeting sources said the CPC leaders also offered their full support in implementing the seven memorandums of under-

Gas pilferage costs govt Tk 150 cr a month

UNB, Dhaka

Stern measures are underway to stop gas pilferage during distribution and bring transparency in meter reading to prevent bill tampering.

This was stated by State Minister for Energy AKM Mosharraf Hossain when a business delegation complained about erratic gas supply to industrial plants and harassment by the distribution agencies.

He said gas pilferage in distribution channels cost the government Tk 150 crore every month with Titas Gas alone accounting for Tk 60 crore.

He acknowledged the built-in problems in getting gas connections and its supply with required pressures, as the delegation of Bangladesh Chamber of Industries (BCI) pinpointed the hassles.

The minister said, "Snapping of illegally-bypassed lines has already started and contractors responsible are being blacklisted."

Responding to the delegation's proposal for giving gas connections to industrial plants on both sides of Ashulia-Savar EPZ road, he said it would take six more months with a view to supplying gas to those plants.
