**31 fake examinees
nabbed at JU**

JU CORRESPONDENT

The Jahangirnagar University authorities nabbed 31 fake examinees, including two girls, on the first day of admission tests yesterday.

They, however, were released later.

Two other fake examinees fled from the examination hall when the invigilators attempted to catch them.

Sources said these examinees

were taking the test for others.

The admission tests of the departments of electronics and computer science, mathematics and physics were held yesterday.

The fake examinees were confined to the Proctor's Office all the day.

Meanwhile, the admission tests of the departments of environmental science, statistics, geological science and chemistry will be held today.

A milad mahfil was held at the residence of late Towfiq Aziz Khan, an eminent journalist, sports commentator and executive editor of The Daily Star, in the city yesterday on the occasion of his first death anniversary.

Announcement

The owners of the Exclusive Restaurants had a meeting in a restaurant in Gulshan, to form an association named "Caterer's Association of Bangladesh," held on 04.02.02 at 3.30 PM. The meeting unanimously appointed Mr. Mirza A. Samad as Convener along with 15 committee members.

It is worthwhile to mention that, despite the significant contribution of this sector to the national economy, it has not received its due recognition. More over the sector is facing a disaster and harassment from different institution and agencies in the country. In order to rescue and develop the sector, the owners of the restaurants have come together to form an association. As such the owners and concerned persons of the country are requested to avail their membership of the association as soon as possible. Please do not hesitate to contact us for your required information and membership form.

**Invitation to Bid
For****Developing a "Client Data Recording System"**

Organizations/individuals experienced in system analysis and designing for the development of health related client data recording system are invited to submit proposals to develop a computerized client/patient recording system for clinics/centers at district and urban areas under UNFPA assisted projects

The objective:

- To develop a computerized Management Information System (MIS) for clinics/centers at district and urban areas.

The task would entail the following:

- Studying and review forms and other information available and develop a programme on MS Excel for recording and analysis of (i) client profile (ii) client management and (iii) client follow-up etc.
- Providing training of personnel (100) of district and urban clinics on the above programme, including capability to analyze the data to obtain trends and patterns related to Family Planning/Gynae, RTI/STDs.

Other terms and conditions:

- The selected organisation/consultant will get two (2) months for reviewing the existing forms, development and testing of software and two (2) months for training of the staff;
- UNFPA will not provide any other support services/cost during the development and training period other than the amount agreed upon in the contract and approved by UNFPA;
- No cost will be provided by UNFPA for preparation of proposals;
- Selected organisation/individual will receive payment 25% during signing the contract, 25% after the development of software, 25% after testing and the balance 25% after completion of training and upon receipt of satisfactory report and software by UNFPA;
- During training on the software use, the costs related to participants TA/DA will be provided through the projects and therefore costs for the same should not be included in the offer.

Please submit your proposal both technical and financial under sealed cover marked with "Client Data Recording System" to UNFPA, IDB Bhaban (15th Floor), Begum Rokeya Sharani, Sher-e-Bangla Nagar, Dhaka 1207 by 27 February 2002 at the latest. Please include in the proposal, your company's profile, past experiences and client list.
