

Govt to start Dhaka eastern bypass project work

UNB, Dhaka

To remove nagging traffic jams from the capital city, the government would start work on the Dhaka Eastern Bypass Integrated Project (DEBIP) that is linked with multi-modal communications networks.

Communication Minister Nazmul Huda, while visiting the site yesterday, spoke of the work plan of the important project.

The 30-km road from Kanchpur Bridge to Joydevpur via Tongi would have integrated systems, including Dhaka Flood Control Dam, ring road and circular rail communications.

Most important side of the comprehensive project is that the bypass will connect the north-southeastern highway through the country.
