"This is a problem, and I know it is going on for years. You see if you play football here, it ruins the expensive cricket pitches. Again, people don't want to go to Mirpur and enjoy football. I am yet to get a solution to this problem," Rahman said in frustration

When asked about the recent failures in cricket specially the performance of under-19 team in the World Cup, Rahman said he would not like to interfere with the cricket board affairs. But he already exchanged his views with some cricket officials over some specific issues that included the indiscipline of players

Rahman also urged the press to help him stop political gatherings at the Paltan Maidan, a property of NSC, because it was ruining the sports atmosphere

"You see, Paltan Maidan is now a small piece of land where you can not accommodate so many people. Besides, it has become a haven for drug addicts in the night.

"If all political parties agree to hold rallies at National Parade Square, I would make the whole stadium arena a National Spots Complex in very short time," he added. Earlier, the state minister granted

minister and the media to make the 'Meet the Reporters' programme a success

England coach Duncan Fletcher has warned his team they must improve quickly to stand any chance of performing in next year's World Cup, following their humbling defeat by New Zealand in Wellington.

Fletcher has seen his side go 2-0 down against New Zealand in the five-match series. and their confidence was shattered by a 155-run demolition on Saturday evening. England were bowled out for just 89 by the confident Kiwis who can

England will have played 16 one-day internationals this winter at the end of the New Zealand series, by which time Fletcher hopes to have identified the key parts of his World Cup
