EMPLOYMENT OPPORTUNITY**Deputy Resident Legal Advisor (DRLA)**

The Government of Bangladesh through the Ministry of Law, Justice and Parliamentary Affairs is implementing a civil justice reform project named the Legal and Judicial Capacity Building Project. The objectives of this project are to support measures to enhance the efficiency, effectiveness and accountability of the civil justice system and to improve access to justice, particularly for women and children.

In connection with this Project, the Government of Bangladesh entered into a Contract dated October 9, 2001 with DPK Consulting, an international consulting firm which is serving as Reforms Advisory Consultants in connection with the Project. DPK Consulting seeks the services of a highly qualified and experienced local legal and judicial expert to serve as Deputy Resident Legal Advisor. The Resident Legal Advisor and Deputy Resident Legal Advisor will work together to provide impartial top-level advice and assistance associated with the Project implementation. A detailed job description and Terms of Reference are available at the offices of DPK Consulting, the Reforms Advisory Consultants.

Minimum Qualifications

- Preferably a Juris Doctor (or equivalent) degree from a reputable university.
- Minimum of 10-15 years of experience at the bar or on the bench or on the law faculty of a reputable university.
- Thorough familiarity with the Bangladesh Civil Procedure Code, the Civil Rules and Orders and other procedural rules, as well as relevant laws such as the Limitation Law, Law of evidence, Law on remedies.
- Ability to read and analyze court files, statutes and legal materials.
- Expertise in modern legal research methodologies.
- Demonstrated ability to write reports and studies on judicial reform, case management or court administration (Please provide writing sample).
- Demonstrated ability to take a hands-on, teamwork approach in work with the judicial and non-judicial personnel of the District Courts and the Supreme Court and to engage intensively at a practical level to help the courts and other Project related entities achieve their reform agenda.
- Excellent written and verbal communications skills in both Bangla and English.
- Demonstrated interest in matters of legal and judicial reform in Bangladesh.
- Demonstrated interest in developments in case management and court administration, reform, both nationally and internationally, and the appropriate adaptation of innovations and improvements within the legal and judicial system of Bangladesh.
- Willingness to travel to Districts outside of Dhaka for meetings, workshops, site visits and other needed interaction.
- Some knowledge of computers and a demonstrated interest in technology and how technology might be used by the court system to improve delivery of services to the citizens of Bangladesh.

Interested persons are invited to apply by submitting their letter of interest in the position together with curriculum vitae to the following address: Office of Reforms Advisory Consultants, Suite 202, Concord Tower, 113 Kazi Nazrul Islam Avenue, Dhaka-1000, Bangladesh by no later than 15 April 2002. For additional information, please address written inquiries to the foregoing address or send them by email to dpkbangla@aol.com.

CAREER OPPORTUNITY

The Embassy of the United States of America seeks to recruit an IRC Associate for its Information Resource Center (Library) at the Public Affairs Section, Dhaka.

The incumbent is responsible to implement the reference and outreach policies of the Information Resource Center to Bangladesh audiences using traditional and advanced information technologies. Is responsible to develop and maintain contact with high-level audiences, monitor development in information technology in the U.S. and in Bangladesh and evaluate their applicability to the IRC. Serve as the deputy to the IRC Director and has a high degree of independence and wide latitude in managing work responsibilities.

REQUIRED QUALIFICATION :

- University degree in Information Science, Political Science, International Affairs or American studies with formal training in the information field are required. Preferably studied in English medium.
- Two to four years progressively responsible experience in the field of information research both in traditional and latest technologies and electronic resources. At least two years of supervisory experience in the relevant field. One or more years of responsible experience in the use of Internet is desirable.
- Good knowledge of current trends and developments in American and bangladeshi information science and technology. Professional Knowledge of electronic retrieval and delivery tools, in particular the Internet and standard information science practices and procedures. A sound understanding of contemporary Bangladeshi and American political, economic, social, and cultural and educational structures and processes.
- Fluency in English and Bangla both written and spoken is required.

REQUIRED SKILLS / ABILITIES :

- Ability to work independently and effectively in a diplomatic environment, develop and maintain high-level contacts, carry out complex research and reference searches and respond rapidly to requests often for breaking news.
- Must have planning, organization, problem-solving, initiative and creativity skills.
- Ability to use electronic based technologies, including computer, Internet, CD-ROMs, and print resources.

Persons who meet the above requirements are requested to FAX their applications (Embassy prescribed form) together with contact telephone number, work experience with dates of employment and minimum expected salary to the Human Resources Office at FAX NUMBER : 9887825 no later than 06B March 27, 2002.

Application Forms are available at the U.S. Embassy Gate 1, Madani Avenue, Baridhara, Dhaka-1212 during office hours.

NOTE : Only complete and up-to-date application form with photograph of the applicant will be accepted.

LAND REQUIRED

Advertiser is a Foreign Oil Company interested in setting up CNG filling stations with multiple associated facilities in Bangladesh, starting with Dhaka. We are in the process of identifying suitable locations for this activity.

We seek responses from owners (no brokers please) who possess land suitable for CNG filling stations. If suitable, the Company may take the site on lease.

The requirements of the site are:

- Location: In and around Dhaka city on well-developed roads and with road frontage.
- Plot size: A frontage of approx. 35-40 metres and a depth of approx. 30-35 metres.
- Site should have a clear title & be free from all encumbrances.
- Site offered should be suitable for CNG filling stations in line with Municipal/Local Development Authority regulations

Financially sound Individuals/ Bodies who are in possession of land & are interested in operating the fuel stations may also respond.

Responses should be complete & should include:
(1) Site plan with markings (2) Location plan with markings (3) Copy of the title deed (4) Offer for lease with rentals (5) Any other relevant details.

This advertisement, however, may not be construed as an offer of dealership. Last date for receipt of responses is 29.03.2002 to be sent to:

Advertiser,
Box No 1136
The Daily Star

Responses will be evaluated based on feasibility of the site for filling stations and in this regard the decision of the Advertiser will be final.

VACANCIES WITH**HELEN KELLER INTERNATIONAL**

Helen Keller International, an American international NGO, has been working in Bangladesh since 1978 to help prevent blindness through large scale nutrition programmes and provides technical assistance for educating and rehabilitating the blind. The agency wishes to appoint well qualified and enthusiastic people to several positions in all its major projects

Senior Analysis and Reporting Officer - Nutritional Surveillance Project

The Nutritional Surveillance Project wishes to appoint up to two experienced and well-qualified nutritionists to help analyse data and write reports and bulletins. The candidate should have either a biomedical PhD and experience in nutrition, or a Master's degree in Nutrition with at least 8 years relevant experience. The candidate should have a proven ability to analyse quantitative data using statistical software and to write technical documents in English. For one position priority will be given to a candidate with experience in collecting data on household food consumption. The Officers will be also expected to assist with designing questionnaires and field guides, make presentations at local and international meetings, and to train and mentor junior staff. An attractive salary with generous benefits is available and will depend on qualifications and experience. A one-year contract is available in the first instance. Each candidate should send a c.v. including a list of publications and a covering letter in English explaining why you are a suitable candidate for the job. Job reference: NSP-SARO.

Senior Analysis and Reporting Officer - Homestead gardening

The NGO Gardening and Nutrition Education Surveillance Project wishes to appoint an experienced and well-qualified agriculturalist to help analyse data and write reports and bulletins. The candidate should have either a PhD and 3 years experience in agriculture, or a Master's degree in Agriculture with at least 8 years relevant experience. Prior experience in homestead food production would be an advantage. The candidate should have a proven ability to analyse quantitative data using statistical software and to write technical documents in English. The Officer will be also expected to assist with designing questionnaires and field guides, make presentations at local and international meetings, and to train and mentor junior staff. An attractive salary with generous benefits is available and will depend on qualifications and experience. A one-year contract is available in the first instance. Please send a c.v. including a list of publications a covering letter in English explaining why you are a suitable candidate for the job.
