Government of the People's Republic of Bangladesh

Ministry of Local Government, Rural Development and Cooperatives
(Local Govt. Division)

Dhaka Water Supply & Sewerage Authority

Invitation for International Bids for Design-Build Turnkey Contract for
Construction of the Pagla Water Treatment Plant

Bid No.
Date: 19-03-2002

Invitation for Bids

- This request for Expression of Interest (EOI) follows the decision of the Government of Bangladesh to implement the Pagla Water Treatment Plant Project under Chinese Credit.
- The Government of the People's Republic of Bangladesh represented by the Dhaka Water Supply and Sewerage Authority (Dhaka WASA) has decided to implement the Pagla Water Treatment Plant Project with 100 IMGD production capacity in order to satisfy the increasing demand for drinking water for Dhaka City. The Govt. of the People's Republic of Bangladesh has signed an MOU with the Govt. of People's Republic of China to implement the project under Chinese Credit.
- The said Pagla Water Treatment Plant Project consists of following three parts:
a) Mawa Intake Plant (to be located along the Padma River at Mawa under Louhajang thana/upazila. The raw water is to be extracted from the Padma River), hereinafter abbreviated as MIP.
b) Raw Water Transmission Line (with a length of about 40 kilometres in between the Mawa Intake Plant and the Pagla Water Treatment Plant), hereinafter abbreviated as RWTL.
c) Water Treatment Plant (to be located at the Employer's store yard at Pagla), hereinafter abbreviated as WTP.
- A complete set of bidding documents may be purchased from the office of the undersigned with effect from 1st April, 2002 but before 20th April, 2002 during office hours upon submission of a written application to the undersigned and upon payment of a non-refundable fee of Taka 10,000.00 (Taka ten thousand only) in cash or Bank Draft/Pay Order from any scheduled bank in Bangladesh in favour of the Managing Director, Dhaka WASA.
- The contract shall be a design-build turnkey contract. The bidder shall, at his own cost, undertake site survey, soil investigation and all other requisite studies as necessary and prepare conceptual design and drawings on the basis of such survey/investigation/study. Any minor change to the general scheme described in item 2 & 3 except the production capacity of 100 IMGD drinking water will be allowed if justified technically and feasible economically.
- Based on its conceptual design and drawings, the bidder shall work out the total price. In case the bid is accepted the works will be awarded as a lump sum contract and no variation to the contract price will be allowed unless otherwise specified in the bidding documents.
- The bidders' quoted price must include all costs covering site survey, soil and all other investigations, design, manufacture, packing, inland/ocean/air transportation, handling & forwarding, storing insurance, testing and inspection, construction, erection/installation, commissioning and finishing, treatment facilities, all other miscellaneous materials, equipment & ancillaries, guaranteed services during 12-month warranty period etc. except CDVAT and any other taxes payable in Bangladesh.
- a) Dhaka Water Supply and Sewerage Authority (Dhaka WASA) now invites international sealed bids in two-envelope system (one envelope marked "Technical Proposal" consisting of technical bid only; without any reference to prices and the other envelope marked "Financial Proposal" consisting of financial bid) from eligible bidders from China for the works detailed in the bid document. If any bidder by any means give prices in his technical bid, his bid will be rejected and returned to him along with the financial bid, unopened.
- b) The eligible bidder (s) shall arrange financing for the project in the form of Chinese Credit. Type of funds and the Credit terms must be mentioned in the technical bid, but amount of the fund should not be mentioned.
- c) This invitation for bid is issued without any obligation from Dhaka WASA to enter into any contract with any bidder.
- Interested bidders may obtain further information if needed, in respect of the bidding documents from the office of the undersigned.
- All bids must be accompanied by bid security of not less than one (1) million US dollars, in the form of Bank Guarantee or Bank Draft or Pay Order in favour of the Managing Director, Dhaka WASA, from any reputable bank in Bangladesh valid for a period of not less than 30 days beyond the bid validity in the format prescribed. Should the validity of the bid be extended, the validity of the bid security shall be extended accordingly. The bid security has to be submitted along with the Technical Proposal without which the bid will be rejected summarily.
- Both Technical and Financial Proposals should remain valid for a period of 180 (one hundred eighty) days from the date of opening of the bid.
- Bids must be duly completed and submitted to the office of the undersigned in sealed cover in two-envelope system at the latest by 12.00 hours Bangladesh Standard Time (BST) on 20th May 2002. If such deadline of submission is declared as a public holiday by the Government of Bangladesh, the next official working day shall be deemed to
