INVITATION FOR SEALED BID FOR MIS-SOFTWARE DEVELOPMENT

An international research organisation invites financial, managerial and technical proposals from the qualified and reputed firms operating in Bangladesh for development of a Management Information System (MIS) to increase the effectiveness of managing its sub-projects.

The vendor will have to deliver the MIS software along with user manuals, development documentation and other relevant papers to the officials. The vendor will also provide required training to make the system operational by its users. Any Intellectual Property rights created out of this work will belong to the sponsored organisation.

Closing date for submission of the bids is April 15, 2002.

Detailed "Request for Proposal" and Terms of Reference" are available and may be collected by contacting:

GPO Box 64, Ramna, Dhaka 1000, Bangladesh
Tel: 8827210, 8817639-40; Fax: 8825341
E-mail: cnpetra@bol-online.com

In loving memory of
Alhaj Atiar Rahman F.C.M.A

On the occasion of your first death anniversary we remember and miss all the love and warmth that you radiated.

We would like to request all our friends and relatives to pray for your departed soul. May Allah rest your soul in eternal peace. Amin.

Your Children and grand children

JOB VACANCY

CARE Bangladesh invites applications from suitable candidates for the position of **Project Coordinator** for LIFE-NOPEST phase II project. The project intends to build capacity of the participating food insecure farm households to increase, diversify and sustain farm production. This is a senior position with frequent field visits to project sites in Rajshahi and Mymensingh regions.

Responsibilities

The Project Coordinator (PC) is responsible for the outputs specified in the log frame and is entrusted with the overall responsibility for programmatic, administrative and financial aspects of the project. S/he is expected to make significant contributions in guiding the implementation of the project strategy for maximizing impact in line with the strategic directions of CARE Bangladesh. S/he needs to provide guidance to maintain team spirit and staff integrity for high quality implementation and monitoring of the project activities. The PC is to ensure that sufficient technical guidance is provided on agriculture, fisheries, partnerships, facilitating the process of evolution of grassroots level pro-poor organizations and agricultural marketing. S/he needs to prepare and revise budgets and oversee project expenditures. S/he is to write implementation reports and establish good professional relations with locally elected bodies and line agencies as well as other like-minded NGOs. The PC is to directly supervise a few mid-level project staff including two Assistant Project Coordinators (APCs) and five Project Managers (PMs).

Competency and Requirements

- Masters degree in Agriculture, Fisheries, Forestry, Agricultural Economics or a development-related field. Candidates with a Bachelor Degree (with honors) and extensive experience are also encouraged to apply.
- At least 10 years relevant work experience including a minimum of 3 years managerial experience in project planning and implementation.
- Good understanding on M&E systems and capable of using project M&E system as a vital management tool.
- Strong skills in networking and liaison with local counterparts.
- Budgeting and expenditure monitoring skills.
- Strong analytical, conceptual and problem solving skills.
- Excellent report writing and communication skills both in Bangla and English.
- Strategic planning skills and gender sensitive.
- Strong computer skill (MS Word, Excel etc.).
- An orientation on rights based and good governance programming will be considered as an advantage.
- An excellent team player with an ability to deal with a variety of unexpected/unscheduled tasks in addition to routine duties.

Interested candidates who fulfill the above requirements are requested to apply with a curriculum vita including names and addresses of two referees, a recent photograph, expected gross monthly salary and a forwarding letter to The Advertiser, Box No. A-1430, C/O The Daily Star on or before 12th April 2002. Please mention the position applied for on the top of the envelope. Only short listed candidates shall be called for an interview.

Female candidates are encouraged to apply
Internal & External candidates will be treated equally

CHALLENGING CAREER OPPORTUNITY

We are one of the leading Business Houses in the country with special interest in Manufacturing of **FMCG, Trade, and Real Estate Development**. A wide range of products manufactured by us are well-known in the national market. Some of the brands gained popularity to become family names. We worked hard for decades with dedication and conviction to attain the present size and status in the country's business sector.

In response to our growth strategy we are continuously strengthening our Management Team with seasoned professionals who are self-starter, creative and dynamic. At the moment we have openings for the following Personnels :

01. DIVISIONAL CHIEF ACCOUNTANT / ASST. GENERAL MANAGER :
The incumbent will be in overall charge of our Steel Division Accounting and will report to the Top Management.

For this very senior position we require a qualified Chartered Accountant with 2/3 years post-qualification experience in big manufacturing/industrial concerns. He must be thorough in all phases of accounting & skilled in getting things done by others. Amongst others, he must be able to : 1. design and devise an accounting system to meet the demand of the age, 2. look for continuous improvement over the existing system to keep pace with the changing environment, 3. introduce ways and means to minimize wastes and enhance productivity, 4. generate informative and useful reports for the Top Management Decision making process, 5. exercise an effective control over the division's function in order to achieve optimum utilization of manpower and other resources under his jurisdiction.

- ◆ Computer literacy is essential for the position.
- ◆ Age Limit : Max. 40 years.

02. FACTORY ACCOUNTANT :
The incumbent will be posted in a big steel project and will report to the Divisional Chief Accountant and must be capable of working with minimum supervision.

The person we are looking for, should have at least a Bachelor's Degree with C.A. Course complete and 3-5 years experience having in-depth knowledge on all phases of Accounting including vouchering, disbursing, bank reconciliation, and maintaining all factory accounts and ledgers. He must be skilled in operating computer softwares like MS Word, MS Excell and preferably an accounting-related special software.

- ◆ Age Limit : Max. 35 years.

03. PURCHASE MANAGER :
This is a senior and challenging position reporting to the Top Management for which we require a person with proven track record in the relevant area of business. The person we are looking for should possess, amongst others, the following qualities and skills : Thorough knowledge in the procurement process/formalities-both national and international; High analytical skills; Well-informed about sources of supplies of various raw materials, machinery, equipment & other supplies; Ability to evaluate offers technically and financially to choose the best alternatives; Experienced in handling items of technical/engineering nature ; Capable of handling purchase requirements of industrial concerns of varied nature ; Ability to design and maintain and inventory system/ level requiring minimum fund blockade and at the same time ensure uninterrupted operation of all the units of the group.

The incumbent should have a Master's Degree in Business Education or Commerce. An Engineering Graduate with an MBA Degree will be preferred. He should possess 7-10 years relevant experience in senior management position in a big industrial group or multinational company. Computer literacy is an essential criteria for the position.

- ◆ Age Limit : Max. 40 years.

We offer an excellent opportunity for career progression besides a market competitive compensation package and a performance oriented work environment. The incumbents must be willing to relocate to any unit/division of the group as and when required.

Please apply with detailed resume, copies of educational and experience certificates and a passport size photograph to **GPO Box No. 1004, Chittagong** by 18 April 2002.
Only short listed candidates will be called for the interview.
