Skipper Sanath Javasuriva smashed 87 off 78 balls and grabbed two wickets as Sri Lanka crushed Pakistan by 41 runs in the opening match of the three-nation Sharjah Cup here on Monday.

The left-hander struck 10 boundaries and three sixes to lift Sri Lanka to 242-9 from 50 overs after electing to take first strike in the day-night international. Pakistan, docked an over for

their slow over-rate, were shot out for 201 in reply as star off-spinner Muttiah Muraitharan proved unplay-

able with three for 27 from 10 overs. Abdul Razzaq and Rashid Latif made a gallant bid for victory by adding 72 off 85 balls for the sixth wicket after Pakistan were struggling at 94-5 in the 26th over. Latif hit 41 and Razzaq made 56, but the Sri Lankans kept their cool in

the crisis to run through the Pakistani batting and ensure full points from the match.

Sri Lanka return on Tuesday to clash with New Zealand, the third team in the 250,000-dollar tournament at the Sharjah cricket stadium. Sri Lanka themselves slipped to 128-4 in the 25th over despite the Jayasuriya blitz, before Russel Arnold chipped in with a valuable 57

to boost his team's total. Arnold put on 43 for the fifth wicket with Romesh Kaluwitharana and 52 off 42 balls for the sixth with Upul Chandana (30).

Fast bowler Shoaib Akhtar was the pick of Pakistan's bowlers, taking three for 30 in his 10 overs. Jayasuriya never looked back

Both Tendulkar and Lara are perceived as being as enigmatic as they are brilliant.

Lara quit the West Indian team for almost six months in early 2000 after an unsuccessful stint as captain. He played golf while the rest of the cricketing world wondered about his future.

He was coaxed back to the team but missed home series against Zimbabwe and Pakistan, saying he was not mentally prepared due to inadequate support from the cricket authorities.

Tendulkar, who has twice given up the India captaincy, leads a lowprofile life, out of the limelight when off the cricket field.

His mannerisms, and even more his new conservative playing style, suggest that the wonder boy -- he was first capped aged 16 -- has least for now

consciously slipped into the mould of the team's elder statesman.

"I've learnt to pace my innings Australia and Britain will not face better, I think my style has changed each other in the Davis Cup World a bit," Tendulkar says, adding he Group qualifying round when the has become more conservative in draw is made on Wednesday after his shot selection and cut down on the nations were named as seeds uninhibited strokeplay. by the International Tennis

Lara, like Tendulkar, seen as the core batsman in a weakening West Indies side, believes in hitting out of trouble.

He smashed Sri Lanka's bowlers to three big hundreds late last year for a 688-run series aggregate at 114.6 but still could not save his team from a 3-0 whitewash.

The Caribbean series will be demanding for both men, Lara returning from a three-month injury to try and preserve West Indies's still impressive home Test record while Tendulkar strives to give India their first series win outside south Asia in 17 years. The contest will also settle the "who's the best?" debate -- at
