- Install and/or oversee the installation and maintenance of local and wide area networks (LAN/WAN) ;
- Control and maintain the performance of communications equipment for wired and wireless communication networks;
- Develop and recommend strategies to address specific telecommunications, connectivity and related training needs of WFP Dhaka country office/ sub-office;
- Maintain and analyze telecommunications data and statistics to be able to identify, recommend and implement cost saving measures;
- Provide emergency communications capabilities in support of staff security, including providing a focal point for inter-agency emergency field security communications liaison;
- Identify and test new software and hardware for improving and upgrading system performance; install any technology upgrades as required;
- Collaborate with HR in the preparation of training modules and other training activities in all aspects of telecommunications technology usage; train staff, personnel in other UN agencies, and NGOs, in usage of equipment/systems as required;
- Oversee the installation and maintenance of wireless communications at various locations in the assigned area;
- Establish control systems to ensure that all telecommunications equipment is in proper repair and working order to maintained satisfactory communications between different users of the equipment;
- Identify appropriate standards to procure telecommunications equipment at the least cost and in the most expedient manner;
- Ensure effective co-ordination with other UN agencies in order to maximize possibilities of inter-agency collaboration in the field of telecommunications;
- Install and maintain email systems;
- Maintain V-SAT connectivity;
- Maintain an accurate and up-to-date inventory of TC and IT equipment;
- Analyze computer and communications requirements, recommend new systems and/or enhancements in the functionality of the existing systems;
- Prepare and review specifications for information and communications systems ;
- Supervise staff/technicians as required.

**Results Expected :** Application of specialized expertise in making determinations on IT and telecommunications needs of the office and sub-offices.

**Critical Success Factors :** Basic technical skills in telecommunications and computer skills; courtesy, tact and ability to work effectively with people of different national and cultural backgrounds in a team environment

**Qualifications :**

**Education :** University Degree, preferably in electronic or technical and/or communications engineering, computer Science or any science/logic related discipline.  
**Experience :** 4-5 years of experience in relevant field.  
**Language :** Good working knowledge (written and oral) of English and Bangla.  
**Software :** Good knowledge on MS Windows NT; MS Windows 1998; MS Office 2000; Lotus Notes R5; Lotus CC-mail

**Other Desirable Skills :** Good computer skills; familiarity with operations of commercial telecommunications services; knowledge of WFP's electronic communications needs and its PABX, radio and satellite systems. Proficiency in a second official WFP language; training and / or experience using SAP/WINGS and other widely used software; knowledge of WFP communication policies as well as relevant regulations, rules, procedures and systems.

**Remuneration :** The salary will be at No-A Level (as per UN Local Staff Salary Scale).

**Submission of application :** Interested candidates meeting the above requirements are requested to submit their applications, quoting this vacancy announcement along with an updated CV and three references to :

**Chief, Human Resources Section, WFP, UN Offices,  
IDB Bhaban, Dhaka, Bangladesh**

**Last date : 30 April 2002**

- Note :**
- UN regulations strictly prohibit unsolicited Interventions in a vacancy procedure; non-adherence can seriously jeopardize the eligibility of the candidate.
  - WFP is an equal opportunity employer and promotes affirmative action principles to achieve gender balance among its staff.
  - Women are especially encouraged to apply.
  - Only short-listed candidates will be contacted.

**Date of Issue : 16 April 2002**
