"Sliver"

on HBO April 21 at 9:30 PM

Sharon Stone is not the only reason to see this movie. Based on the best-selling novel by Ira Levin, this thriller gives a new meaning to the word 'stalk'--for what cannot be seen may well be your demise. New York career woman Carly Norris has just found the perfect apartment which is located in a "Sliver" high rise. But there's a price for the new, luxurious and secure apartment--someone is keeping the residents under hightech surveillance 24 hours a day.

Satellite TV

"Escape from L.A." on HBO
Airdate: Wednesday April 24 at 10:00 PM
2013--The City of Angels has deteriorated into the City of Lost Souls--a penal colony for the most trivial of moral crimes in South Dakota. An earthquake shakes L.A. loose from the mainland, and renamed the New Moral America, it is home to those who dare to flout the new moral code and the bloodthirsty gangs and psychos trained to terminate them. But none of that seems to peak the President's interest. But this will--his daughter has stolen a doomsday device, hijacked Air Force One and fled to L.A. No problem, the United States Police Forces already has their man. Enter Snake Plissken (Russell, Vanilla Sky, Interstate 60), who has two choices--death by virulent nueurotoxin, or capture the black box of death and kill the President's daughter. Guess it's another executive decision for Mr. Russell.

Python on HBO

Indian Psychology
Volume I Cognition
Jadunath Sinha
Price: Tk 1600

Here is the magnificent attempt made at a constructive survey of Indian Psychology. In the words of the author the philosophical literature of India is not only rich in Metaphysics, but also in Psychology, Logic, Ethics, Aesthetics, and Epistemology. There is no system of Indian philosophy which has not advanced a theory of knowledge, and which has not appealed to the facts of experience. Every school of philosophy has made valuable contributions to Psychology, Logic, Ethics and other mental sciences.

The Treasury of Good Sayings
A Tibetan History of Bon
Edited and Translated by Samten G Karmay
Price: Tk 640

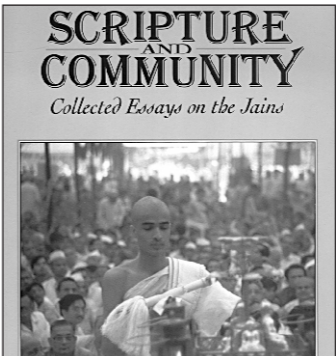

The Legs bshad mdzod, which is here edited and translated into English for the first time, is a history of Tibetan religion known as Bon. It gives a full account of this ancient religion, its origins and development, its struggles against the later imported Buddhism, and its fight for survival in spite of persecution and even abolition on two occasions. The reassemble of the scriptures dispersed at these times is major object of attention.

The Book of Hindu Imagery
Gods, Manifestations and Their Meaning
Eva Rudy Jansen

Gods, Manifestations and Their Meaning
Eva Rudy Jansen, Price: Tk 240
Hinduism is more than a religion; it is a way of life that has developed over approximately five millennia. Its rich and multicultural history, which has no equivalent among the great religions of the world, has made the structure of its mythical and philosophical principles into a highly differentiated maze, of which total knowledge is a practical impossibility.

T.W.RHYS DAVIDS WILLIAM STEDE

Pali-English Dictionary
T.W. Rhys Davids Williams Stede, Price Tk 970
As the Pali Text Society began issuing editions and translations of the Pali Canon and Commentaries in quick succession, Rhys Davids conceived the idea of the compilation of an exhaustive dictionary of Pali, based on the voluminous basic material that was being brought to light. The work took more than twenty years of devoted labour, but before his death in 1922, Rhys Davids had the satisfaction of seeing its first volume published. In four volumes, issued over 1921-25, the Dictionary contains every Pali word, with its Sanskrit root identified and meanings given in English. Carrying over 1,50,000 textual references, the work holds the field, even today, as the best Pali-English Dictionary.

The heart of Healing
Body, Mind and Spirit
Caroline Latham, Price: Tk 165

Simplicity and modesty are the key-notes of this book. Even a master healer is likely to find within it gems and insights to remind him of what he knows. For those who would like to heal but do not know where to start, it is quite invaluable. Whether healing is a path which you want to make into a career, or is simply your way of returning a gift to life, this book will get you started. It is full of practical help and inspiration to stay on the course. It is quiet in-the-mind healing which may involve touching, or may not. Is there anyone who would not like to be able to heal themselves, their children or loved ones? Don't wait until you are perfect, or think you know enough. Everything you need to be a healer is already right there inside you. There are no secrets or mysteries to uncover.
