

## Relocate labour-intensive units to Bangladesh

### Khaleda urges Malaysian minister

UNB, Dhaka

Prime Minister Khaleda Zia offered all necessary cooperation and facilities for Malaysia to relocate their labour-intensive industries to Bangladesh.

She held out the offer when the visiting Malaysian Minister for Culture, Arts and Tourism, Dato Abdul Kadir, called on her at the Prime Minister's Office yesterday afternoon.

Referring to Malaysia's plan for relocating the labour-intensive industries to other countries of the region, Khaleda pointed out that Bangladesh is a good option as it can offer cheap but hardworking labourers.

The Prime Minister also pointed out that the Malaysian investors could utilise the investment incentives provided to foreign investors by the present government.

"The present government has also given priority to development of the tourism sector," she said and particularly mentioned the scope for building tourist resorts in Chittagong, Chittagong Hill Tracts, Cox's Bazar, Sundarbans in Khulna, Teknaf and Saint Martins Island.

## Foreign ship fined for polluting Ctg port channel

UNB, Chittagong

The Port Magistrate Court has fined a foreign ship Tk 50,000 for polluting the port channel.

Authority of the St. Vincent-flag carrier ship, MV Shafinaz, paid the amount of the fine to the court yesterday.

Court magistrate Munir Chowdhury fined the ship under Port Ordinance as wastes were thrown from the ship into Karnafull river during its repair on April 17.

Another foreign ship was sued for the same reason last week.

Meanwhile, a mobile court penalised eight inland cargo ships, one oil tanker and eight cargo trawlers Tk 2.07 lakh on charge of evading tax.

## Siraj returns home

BSS, Dhaka

Environment and Forest Minister Shaikh Siraj returned home yesterday after attending the Bio-Diversity Convention in the Netherlands.

Responding to the request, Dato Abdul Kadir suggested that exchange of business and investor delegations could help the investors see the opportunities themselves.

Mentioning the cordial relations and the presence of direct air-link between Dhaka and Kuala Lumpur, he said there was ample scope for promoting both-way tourism between Bangladesh and Malaysia.

He said that he came to know about the long and beautiful beach in Bangladesh and particularly mentioned the possibility of organising tourism packages.

The minister also pointed out that scope for promoting bilateral tourism also existed under the umbrella of OIC.

While discussing other bilateral

issues in the meeting, Khaleda mentioned an "excellent relationship" between the two countries and asked the minister to convey her request to her counterpart for utilising the skills of Bangladeshi workers living in Malaysia.

Referring to the deportation of foreign nationals, including Bangladeshis, due to introduction of high-tech in Malaysia, she said the Bangladeshis are hardworking and sincere so they could be utilised in other sectors instead of sending them back.

She noted that with their hard work they contribute to the growth of Malaysian economy.

Director for International Marketing of the Malaysian Tourism Board Mirza Mohammad Taiyab and Malaysian High Commissioner to Dhaka Ashaary Sany were present in the meeting.

Prime Minister's Principal Secretary Dr Kamal Siddiqui and Foreign Secretary Shamsur Mobin Chowdhury were also present.

State Minister for Environment and Forest Jafrul Islam Chowdhury addressing a seminar at the National Press Club yesterday. The Forum of Environmental Journalists of Bangladesh (FEJB) organised the seminar to mark the Earth Day.

## Take action against polluters

### Speakers urge govt at FEJB seminar in city on Earth Day

STAFF CORRESPONDENT

Speakers at a seminar yesterday urged the government to carry on its programmes designed to protect the environment and take stern action against those responsible for environmental degradation.

With the environmental degradation taking a serious turn, the country now faces various problems including arsenic contamination in groundwater, air pollution, deforestation and salinity, they said.

The speakers pointed out that it is high time to take immediate and effective steps to check the environmental pollution in the country.

The Forum of Environmental Journalists of Bangladesh (FEJB) organised the seminar on "Earth Day: Protect our Home" at the Jatiya Press Club to mark the Earth Day.

State Minister for Environment and Forest Jafrul Islam Chowdhury addressed the seminar as chief guest while Chairman of Bangladesh Telecommunication Regulatory Commission Syed

Marghub Murshed and Environment Secretary Sabihuddin Ahmed were present as special guests. FEJB Chairman Quamrul Islam Chowdhury presided.

Emphasising the need for maintaining ecological balance, the state minister said the government is committed to protecting the country from environmental degradation.

He said the government has already achieved tremendous success in getting rid of polybags as the people have overwhelmingly supported the move. "Now we have taken more steps to improve the environmental situation in the country to save the future generation and make the earth habitable," he added.

Recalling the formulation of National Environment Policy by the previous BNP government, the state minister said the government has also decided to frame a National Forest Policy soon. He also stressed the need for protecting bio-diversity and ensuring normal flow of sea, river, canal and other water bodies.

Jafrul Islam urged all to be careful so that development activities could not affect the environment.

Syed Marghub Murshed in his speech lauded the role of FEJB in

sensitising the policymakers about the environmental issues. He suggested developing a waterway around the capital city by connecting the Buriganga, Sitakohya, Balu and Turag rivers.

Environment Secretary Sabihuddin Ahmed said the measures taken by the government in the last few months to curb air pollution has come down significantly in recent days, he added.

To maintain ecological balance, he said, the government has already taken steps to stop hill cutting. He also assured that restriction would be imposed on brickfields from the next winter season.

FEJB Chairman Quamrul Islam Chowdhury stressed the need for ensuring massive participation of people side by side the government efforts to protect the environment.

Editor of Geo-Science Magazine Dr Reiner Klingholz, Assistant Professor of NIPSON Dr A. Z. M. Ifekhar Hossain and FEJB executive committee members Anwar Hossain Manju, Nurul Huda, Dr Rezwain Siddique, Fazlul Bari and Sharif Shahabuddin also spoke at the seminar.

## Govt firm to protect women's rights

UNB, Dhaka

A five-day regional workshop for women leaders to train them on literacy programme began in the city yesterday.

Education Minister Dr Osman Farruk formally inaugurated the workshop, organised by the Bangladesh National Commission for UNESCO in collaboration with Islamic Educational, Scientific and Cultural Organisation (ISESCO).

A total of 15 participants from the Maldives, Kyrgyzstan, Indonesia, Malaysia and host Bangladesh are attending the workshop.

Education Secretary Mohammad Shahidul Alam chaired the inaugural function. Ambassador of Indonesia Mausur Maddol Anjany and ISESCO Representative Abdulaziz Boufajja, also spoke on the occasion.

The objectives of the workshop

are to encourage women staff in education and other disciplines to work in literacy programme and to enhance the efficiency of programmes on girls and women literacy.

Speaking at the inaugural function, the Education Minister said the thrust of the government is on protection of women's rights and their empowerment.

He also mentioned that the government has introduced scholarships for girl students at higher secondary level, which will help reduce dropout rate and pave the way for higher education and create employment for them.

## Stranded Pakistanis demand franchise in Pakistan

STAFF CORRESPONDENT

Stranded Pakistanis in different refugee camps in Bangladesh demanded that they should be allowed to cast vote in the upcoming general election in Pakistan.

Abdul Latif Khan, vice president of Stranded Pakistanis Repatriation Committee yesterday told the BBC that they want to cast vote in the general election as a Pakistani.

However, an official of Pakistan High Commission told the BBC that the stranded Bihari in Bangladesh are not eligible to vote in the general election as they do not have any valid documents to prove them as the citizens of Pakistan.

## Businessmen demand action to stop violence, extortion

UNB, Dhaka

Businessmen demanded immediate actions to stop violence and extortion, which they said, have held up the pace of trade and industry.

"Normal production in the industrial units largely depend on the law and order situation," Bangladesh Chamber of Industries acting president A K Azad said while he was apprising the State Minister for Industries Prof Rezaul Karim of the concern of the businessmen.

Azad said supply of capital is a major problem for growth of in-

dustries in Bangladesh. He referred to the weak and faulty management in banks and other financial institutions, and urged the minister to take steps to bring down the bank interest at reasonable rate.

"Procedural complexities, bureaucracy, trade unionism and weak infrastructures are among the things that frustrate investment in Bangladesh," he said.

The minister endorsed the need for further lowering the interest rate and making the overall environment favourable for business and industrial growth.
