Mannan Bhuiyan urges Opposition

BSS, Dhaka
 In democratic system, difference of opinion is nothing new. He said consensus is a must in some basic national issues that will strengthen the democratic system.
 Bhuiyan said it would be unfortunate for all of us if we fail to do so.
 Referring to neighbouring India, the BNP Secretary General said many states were being ruled by the opposition parties but they have a working relationship with the BJP led Union government.
 Mannan Bhuiyan reiterated that the government was sincere in making the parliament effective. For this, he added the BNP had proposed to elect deputy speaker from the opposition.
 He assured the opposition would be given enough scope to speak in the House though they (AI) did not do it while BNP was in opposition.

IJSG council begins

BSS, Dhaka
 Jute Minister Hafiz Uddin Ahmed, Bir Bikram, yesterday urged member countries of the International Jute Study Group (IJSG) to come forward to promote the jute sector throughout the world and help increase the demand for jute and jute products.
 Giving a welcome speech at the inaugural session of the four-day first Council session of the IJSG, Hafiz said jute production decreased in Bangladesh because of increased use of polythene and artificial fibre products.
 Eighteen countries, including host Bangladesh, India, Switzerland and some European countries, are taking part as members of the IJSG in the council which began under the auspices of the United Nations Conference on Trade and Development (UNCTAD) at the IJO Bhaban here.
 Dr Mehamed Arda, Representative of Secretary General of the United Nations, inaugurated the council session.
 The session was also addressed by Dr R Mondal, officer-in-charge of the trust of IJSG, AFM Sarwar Kamal, Acting Secretary of Ministry of Jute and the members of the participating countries.
