#### Central Depository Bangladesh Limited

#### VACANCY ANNOUNCEMENT

*Central Depository Bangladesh Limited (CDBL) was formed to operate and maintain the national Central Depository System (CDS) of electronic book entry, recording and maintaining accounts of stocks & shares and registering their transfer, changing the ownership without any physical movement or endorsement of certificates and execution of transfer instruments resulting in scripless trading of increased volumes of stocks & shares. CDS is a major financial sector infrastructure that is being setup. The transparency and security of title in shares dealings resulting from CDS implementation will inevitably boost securities transaction volumes catering to industrial capital financing requirements and generally breathe new life into trade, commerce and industry in Bangladesh.*
