METROPOLITAN

Some cable TV operators run recorded programmes

STAR REPORT

Believe it or not, some cable TV operators in Dhaka are relaying recorded whole day's programmes of certain popular pay channels a day later.

They have been doing this for the last two weeks because one of the main cable TV distributors has stopped giving the operators bundled channel services over payment dispute. These operators are not paying the distributors regu-

Instead of settling the disputes amicably, these operators are now engaged in channel piracy. In many parts of the city, viewers can watch Star World and Cartoon Network programmes a day later. But other popular channels like Star Movies or AXN are not available in these areas.

According to sources, these cable operators record the whole day's programmes of Star World and Cartoon Network to relay

these the next day. Such fraudulent acts are evident in Dhanmondi, Kalabagan, Indira Road, Azimpur, Mirpur and other areas. In these areas, the cable operators are showing more English and Hindi movies in different channels as they are not showing Discovery, National Geographic, Hallmark, Star Movies and AXN channels.

Subscribers in these areas are now worried that although the cable operators are charging them for these channels, they are being deprived of proper services.

The Nationwide Communications Ltd (NCL) that represents the channels like Star network and Cartoon Network suspended its services to many cable operators in the city last month following the government's ban on some channels as they piled up huge arrears.

Eligibility :

A.N.Motaher

Besides, there are allegations of fraudulent practices by many cable operators who conceal the actual number of subscribers. They show less than the actual number to the channel distributors and pay less.

When subscribers charge the cable operators with failing to provide full service against the fixed monthly fee, the operators in every segment like movies, enreply that in order to ensure full tertainment and sports. service, the charge should be increased by at least 40 per cent.

The cable operators typically charge the subscribers between Tk 'free-to-air' channels, to resist, 250 and Tk 300 for each connec- what the government said, 'alien tion. And the subscribers can enjoy more than 30 channels, of which the main popular channels reversed its decision just after one are: HBO, Star Movies, Star World, AXN, MTV, Discovery, Cartoon Network, Star Plus, Zee Cinema, Hallmark, Sony and National Geo-

The channel distributors have blocked the pay channels as many cable operators hide the real number of their subscribers to evade more payments.

"We have no other option but to block the channels to realise the outstanding bills," an official of a leading distributor said.

Leaders of the Cable Operators Association of Bangladesh (COAB) said the operators are under tremendous pressure from the distributors to pay outstanding bills. . But the operators could not collect

One commits suicide

subscription fees timely due to negative impact on the economy,

"A policy on pay channels could reduce the pressure on cable operators," COAB president Parvez Khan told The Daily Star. He alleged that channel distributors compel the operators to subscribe more than one pay channel

The Ministry of Information had decided to close down 13 satellite channels, both pay and culture'. However, following severe criticism, the government day and lifted the ban from all but

MTV and Channel-V. But none is complying with the government Sources said that the ban and other conflicting issues surrounding the cable TV business

were not at all involved with any policy maker's concern for cultural aggression. "It's a huge business. The distributors alone pay the channels over Tk 70 crore a year. And there

are many people who want to have

a piece of cake by twisting laws," The business part of the cable operators became clear soon after the assumption of the BNP government. In different parts of the city as well as in other parts of the country, the BNP and JCD activists took over the cable services from previous operators or forced

them to share their customers. Out of 30 satellite pay channels the distributors sell to the cable operators, M/S Nationwide Communication Ltd. distributes 27 channels while M/S Translink the three others.

Plan to repatriate all Rohingyas by June 2003

BSS. Dhaka

The government is taking allout measures to complete repatriation of remaining 21,982 Rohingya refugees by June 2003.

As part of the move, Foreign Secretary Shamsher Mobin Chowdhury will visit Myanmar on June 16 to discuss the issue, Minister for Disaster Management and Relief Chowdhury Kamal Ibne Yusuf told journalists after an inter-ministerial meeting yesterday.

State Minister for Communications Salahuddin Ahmed and secretaries and representatives from the home and foreign ministries and BDR, police and other agencies attended the meeting.

Chowdhury Kamal said the problem would be solved through an integrated approach. Most of ating social problems for Banglathe refugees have gone back to desh. their homeland, but a sizeable number still remains in Bangladesh, he added.

plete the repatriation of the refuadding that border forces have been asked to check further influx long and Noyapara camps. of refugees from Myanmar.

hingya refugees from the Arakan issue including their repatriation.

State of Myanmar had entered Bangladesh since 1991 to avoid alleged persecution. The Rohingyas took shelter in different places of the Cox's Bazar district.

The government of Bangladesh with the support of the United Nations High Commissioner for Refugees (UNHCR) started repatriation of the refugees in September 1992 and repatriated 2,32,399 refugees till May 26 this year.

However, the remaining 21,982 refugees living in two camps could not be repatriated for various rea-
