### Simons new Protea coach

AFP, Cape Town

South African cricket authorities on Monday appointed former one-day national player Eric Simons as the Proteas' new coach following the sacking of Graham Ford after successive defeats to Australia this season

Simons, 40, will start his job on July 1, United Cricket Board of South Africa (UCBSA) spokeswoman Bronwyn Wilkinson said in a statement, adding that the provincial coach has had a "solid record coaching Western Province" over the last two seasons.

Australia beat South Africa conclusively in a home-and-away Test series in Australia and South Africa in which Australia won the first five matches before South Africa gained a consolation win in the final Test in Durban in March.

South Africa lost five of seven one-day internationals played against the world champions following the Test series.
