## 'Steps to be taken to make madrassah edn modern'

BSS, Dhaka

The government will take necessary measures to make madrassah education modern and time befitting on the basis of the recommendations already placed by an expert committee, said Education Minister Dr Osman Farruk in the Jatiya Sangsad yesterday.

Replying to a question from M Mizanur Rahman Chowdhury of Jamaat (Nilphamari), he said the government earlier formed the expert committee in this regard with Islamic University Vice Chancellor as its convenor.

"The government has already formed subject-wise committees as per suggestions of the expert committee," he added.

Besides, the Education Minister said textbooks are being updated along with steps for supplying free books to the Ebtedayee Madrassahs to make madrassah education modern and time befitting.

Other measures in this regard include computer training for madrassah students and establishment of an affiliating university like the National University for Madrassah Education.

Replying to a question from Prof. Shahidul Islam of BNP (Kushtia), Dr Farruk said the government had no plan yet to supply free books to the Madrassah up to Dakhil class.

On question raised by Hafiz Uddin Ahmed of IP (D) from Kha-

kurgaon, he said 20,000 computers would be distributed among the secondary schools, higher secondary colleges and madrassahs (Dakhil and Alim) over the next four fiscal years starting from the current fiscal.

"These 20,000 computers include 10,000 computers committed by the Prime Minister," he said adding, an additional 5,000 computers would be supplied to these institutions through other projects.
